Audit Enquiry /MWDS/2021-22/9 (Para 11/IIB/2011-2015 updated)

Dated:28.7.2021

**Sub: Unutilised inventory valuing Rs.14.19 crore**

The Major Works South Division, Bengaluru (MWSD), has a stores under its control which is located at Peenya, to maintain inventory of Major works South Division, North Division and Major Works Kolar division.

Audit review revealed that as of May 2021, the value of total inventory was Rs.1789.47 lakh. In addition, released goods valuing Rs.58.88 lakh was also in stock. Released goods are the material returned by the Contractors which are not utilised in the execution of the contracts/works. Further, scrap material valuing Rs.118.07 lakh was in stock.

It was observed that out of the inventory of Rs.1789.47 lakh, the inventory/stock held since the year 2005 to March 2016, amounted to Rs.1375.04 lakh, which were not used till date. It included high value items viz., Super Structures for 66kv DC A type towers, Super Structure for 110 KV, Stubs for 220 kv etc. Similarly, out of total released goods valuing Rs.58.88 lakh, released goods pertaining to the period 2008 to March 2016 valued Rs.44.10 lakh (**Annexure-1**).

Further, although various contracts were executed by South and North division, the inventory valuing Rs.1419.14 lakh (Rs.1375.04 + Rs.44.10 lakh) lying in stores since 2005/2008 were still not utilised (June 2021). The Company was executing major works on total turnkey/partial turnkey basis, however, provisions to draw/utilise the good material from the Company's stores by the turnkey contractors, were not included in the contracts/DWAs awarded for execution of works/projects.

It was observed that in June 2021, the division intimated the Transmission Zone that 71 items which were more than five years, since their credit/receipt in stores, and nine items of Released material, which were in good condition, could be used in the total turnkey contracts. Further, the SE, Transmission Zone had intimated the same to the SEs of other Transmission Zones coming under the Circle Office. However, no response/indent was received for utilising the material.

Efforts made to utilise the material/Released material, which are in good condition and dispose off the scrap material, may be stated.

While offering remarks, the facts and figures may be confirmed.

Sr. Audit Officer (I)

To,

The Executive Engineer,  
Major Works Division South,  
KPTCL, Bengaluru.
