PREAMBLE:

In the Order cited under reference(3), approval was accorded for collecting one time non refundable charges from generators for sparing the common KPTCL infrastructure. In this connection it is observed that many of the TL & SS divisions are yet to raise demand of the said charges to the IPPs operating in their jurisdiction. Also in the Order dated 03.09.2020, no time line was indicated for collection of the charges. Hence, it is necessary to raise demand for collection of charges in a definite time indicating the due date for payment also. Further, interest needs to be levied for delayed payments i.e., after the due date.

Hence this order.
