- made misleading or false representations in the forms, statements and attachments submitted in proof of the qualification requirements; and/or
 - record of poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc.; and/or
 - participated in the previous Tender for the same work and had quoted unreasonably high tender prices and could not furnish rational justification.

4. The Bidder Documents:

4.1 Contents of Bidding Documents

The Technical Expertise and service required, Bidding procedures and Contract terms are prescribed in the Bidding Document. In addition to the invitation for bids, the Bidding Documents is a compilation of the following sections.

- (a) Instruction to Bidders.
- (b) General conditions of Contract.
- (c) Special conditions of Contract.
- (d) Bid form (Price Sheet).

5.0 Understanding of Bid Documents:

- 5.1 A prospective bidder is expected to examine all instructions, forms, terms and specifications in the Bid Documents and fully inform himself as to all the

conditions and matters, which may in any way, affect the scope of work or the cost of thereof. Failure to furnish all the information required by the bid document of submission of a Bid not substantially responsive to the Bid Document in every respect will be at the bidder's risk and may result in the rejection of his bid.

6.0 Clarification of Bidding Document:

- 6.1 The bidder is required to carefully examine the specifications and documents and fully inform himself as to all the conditions and matters, which may, in any way, affect the services to be provided, and/or the cost thereof. If the bidder finds discrepancies or omissions in the documents or is in doubt as to the true meaning of any part, he shall at once make a request for an interpretation/clarification.
- 6.2 A prospective bidder requiring any interpretation/clarification of bid documents may notify the KPTCL in writing at the KPTCL mailing interpretations/clarification on bidding documents, which the KPTCL receives not later than **15 days prior to the dead line for submission of bids prescribed by the KPTCL.** Written copies of the KPTCL response (including an explanation of the query but without identifying its source) will be sent to all prospective bidders who have received the bidding documents. **Any clarification(s) received after the schedule date will be not be entertained.**
- 6.3 After receipt of such interpretation(s)/clarification(s), the bidder may submit his bid but within the time and date specified for receipt of bids. All such interpretation(s) and clarification(s) shall form a part of the bid documents and a copy thereof duly signed by the bidder shall accompany the bidder's proposal.
- 6.4 Verbal clarifications and information given by the KPTCL or its employees or its representatives shall not in any way be binding on the KPTCL.

7.0 Amendments to Bidding Documents:

- 7.1 The KPTCL reserves the right to issue amendments or clarifications to the specifications and documents to all bidders who have purchased the bidding documents giving reasonable time prior to the bid opening for any reason whether at its own initiative or in response to interpretations/clarifications requested by prospective bidder. Such amendments or clarifications shall be given due consideration by the bidders while they submit their bids and the bidders shall invariably enclose such documents after putting their signatures there in as a part of their bids. All such amendments, clarifications etc., shall be mailed or sent by the KPTCL to the prospective bidders at the address contained in the letter or request for issue of bidding documents. KPTCL shall bear no responsibility or liability arising out of non-receipt of then same in time or otherwise.
- 7.2 In order to afford prospective bidders reasonable time to take the amendments into account in preparing their bids, the KPTCL may, at its discretion extend the deadline for the submission of bids.

8.0 Preparation of Bids

8.1 Language of the Bid: The bid prepared by the bidder and all correspondence and documents relating to the bid exchanged by the bidder shall be in the English language. Failure to comply with this will disqualify the bid.

8.2 Local Conditions:

8.2.1 It will be imperative for each bidder to fully inform himself of all local conditions and factors, which may have any effect on the execution of the contract covered under these documents and specifications. KPTCL shall not entertain any request for clarifications from the bidders, regarding such local conditions.

8.2.2 It must be understood and agreed that such factors have properly been investigated and considered while submitting the proposals. No claim for financial adjustment to the Contract awarded under these specifications and documents will be entertained by KPTCL. Neither any change in the time schedule of the contract nor any financial adjustments arising thereof shall be permitted by KPTCL, which are based on the lack of such information or its effect on the cost of the works to the Bidder.

9.0 Documents comprising the Bid:

9.1 The Bidder shall submit the Electronic Bid sheets inclusive of Price schedule, Technical data Requirements etc., furnished in the bidding documents, indicating the services to be rendered and prices.

9.2 The Bidder shall also submit documentary evidence to establish that the Bidder meets the Qualifications Requirements as detailed in NIT and IFB.

9.3 The bid security shall be furnished in a separate cover.

10.0 Scope of the Proposal:

The scope of the services to be provided are as detailed below.

a) Routine and preventive Maintenance.

1. Routine patrolling of Transmission lines fortnightly.
2. Tightening of fasteners in towers up to safe working heights.
3. Visual inspection of Insulators discs and jump connections.
4. Lopping and chopping and bush clearance including cutting of trees.
5. Inspection of foundations and completeness of Tower members.
6. Replacing of missing/damaged/rusted tower members.
7. Minor repair of tower foundations.
 - (a) Soil erosion/Earth cutting.
 - (b) Damaged coping.
 - (c) Damage to Revetment.
 - (d) Back filling of soil.
 - (e) Re-fixing of counter poise earthing.
 - (f) Painting of legs with anti-corrosive paint.
8. Pre and post monsoon inspections.
9. Special patrolling on tripping of the line.

10. Thermo-vision scanning of jumpers and joints.
11. Replacement of damaged/missing danger plate, number plate or phase plate.
12. Removal of any foreign material on tower like bird nest.
13. Cold washing of Insulator strings wherever required (to be quoted separately)
14. Hot-line maintenance of Transmission lines.

b) Minor rectification/repair works involving shut downs but not involving tower collapse/foundation failure.

1. Repair of conductor.
2. Replacement of broken insulators.
3. Replacement and re-positioning of accessories like spacers and vibration dampers.
4. Rectification in respect of conductor and earth wire snapping not involving tower collapse.
5. Replacing damaged and missing bolts and nuts.
6. Repairs to anti climbing devices.
7. Tack welding of fasteners etc.
8. Replacement of copper bond, arcing horn and corona ring.

Note: The cost of spares for the works mentioned in A and B above shall be borne by the contractor.

c) Providing Man Power, Vehicle and T&P materials required per batch (one batch for every of 90 km route length)

- a) Shall Provide exclusively one batch for every 90 kms of route length For Maintain of line as per 10.0 (A) & (B)
- b) Every Batch shall comprising of 4 skilled, 6 unskilled and 1 supervisor (Qualified Diploma Engineer) with one tempo traveller (or equivalent with 4 wheel drive as the terrain hilly) and all T & P Materials required For maintance and minor rectification/repair works including as mentioned in Clause 5.2.e of tender notification.
- c) Such batch provided by agency shall be located at the O/o the TLM Sub-division / Section nearest to awarded line for maintenance

d) Break down rectification works involving collapse of towers/foundation failure etc.

For break down rectification, works shall be carried out by the contractor as directed by Engineer-in-charge of KPTCL with mutually agreed Commercial Terms & Conditions and all expenses (Materials & civil cost only) will be borne by KPTCL. All available materials for such rectification will be supplied by KPTCL. Balance materials required shall be supplied/procured by the contractor. KPTCL will reimburse the purchase cost of these materials.

13.0 Bid Price:

- 13.1 The bidder shall indicate in the appropriate price schedule, in lumpsum for different items stated, price for associated other services it proposes to furnish under the

contract, along with the total bid price. The details of taxes and duties in case of direct supply transaction materials, salaries made to maintenance and other staff shall be clearly indicated for each time.

13.2 'Before quoting, the bidder may ascertain from the concerned tax authorities of Government of Karnataka, the applicability of any tax in respect of this work and include the same in the quoted price. The owner in this regard will entertain no separate claim, as it is the responsibility of the bidder to pay all these taxes'.

13.3 The prices should be quoted clearly both in figures and words. In case of divergence of rates in figures and words, it will be constructed to consider the rates most favorable to the Corporation.

14.0 Bid Currency:

The bidder shall quote only in Indian Rupees.

15.0 Time Schedule:

15.1 The basic consideration and the essence of the Contract shall be in strict adherence to the time schedule, punctuality and efficiency in carrying out the repair and break down rectification works in maintenance of transmission lines.

15.2 The successful bidder will be required to prepare detailed maintenance schedule and finalize the same with the KPTCL as per the requirement.

16.0 Contract Quality Assurance:

16.1 The bidder shall include in his proposal the Quality Assurance Program containing the overall quality maintenance management which he proposes to follow in the transmission line maintenance works..

17.0 Bid Security/Earnest Money Deposit:

17.1 Bidder shall be accompanied by tender security (EMD) of Rs _____ (usually 2.5 % of the tender amount upto Rs 20.00 lakhs and 2% subject a minimum of Rs 50.00 thousand above Rs 20.00 Lakhs upto 1.50 Crore for maintaince of line) which shall be paid through e-payment mode of e-procurement portal. Any other form of payment will not be accepted.

17.2 *The bidder shall pay the earnest money deposit (EMD) in the e- Procurement portal using any of the following payment modes.*

- *Credit Card.*
- *Direct Debit.*
- *National Electronic Fund Transfer (NEFT).*
- *Over the counter (OTC).*

OTC payment procedure

If the Bidder chooses to make payment of EMD/ tender processing fees Over The Counter (OTC) in any of the designated listed in the e-procurement web-site (www.eproc.karnataka.gov.in), the Bidder will need to log in to e-procurement system, access the tender for which bid is being created and then select the OTC option under the payment section and print the challan shown in the section. The

printed challan will have the unique bid reference number and the amount to be remitted. Along with the challan, Bidder can choose to make the payment either in the form of cash or in the form of demand draft. Cheque payments will not accept. The Bidder is requested to specifically inform the Bank Officer to input the unique bid reference number printed in the challan in the Banking software. Upon successful receipt of the payment, the bank will be provide a 16-digit reference number acknowledging the receipt of payment. This 16-digit reference number has to be entered by the Bidder in the payment section of its bid, as payment conformation before the bid is submitted as a pre-requisite for bid submission.

NEFT payment procedure

If the Bidder chooses to make payment of EMD/tender processing fees using Reserve Bank of India's (RBI) National Electronic Fund Transfer System (NEFT), the Bidder will need to log in to e-procurement system, access the tender access the tender for which bid is being created and then select the NEFT option under the payment section and print the challan shown in the section. The printed challan will have the unique bid reference number, account details of Government of Karnataka and the amount to be remitted. The Bidder has to submit the printed challan to its Bank branch (NEFT- enable) and request for an account- to account transfer, where in the money will get transfer from the Bidder's Bank account to GOK's bank account. The Bidder should ensure that NEFT transfer instructions are executed and the funds are wired to the Government of Karnataka's Principal account before the last date for submission and preferably 24 hours before the last day for bid submission. If the Bidder's bank transfers/ wires the money after the last date for bid submission, the Bidders bid will be liable for rejection, Upon executing the transfer, the Bidder's bank will provide a reference number generated by NEFT software as conformation of transfer, which has to be entered by the Bidder in the payment section of its bid, as payment conformation before the bid is submitted as a pre-requisite for bid submission. Also the account number from which the funds were transferred have to be entered in the e-procurement system has part of its bid.

The Bidder who wish to make earnest money deposit and tender processing fee payment through internet banking facility may do so. KARNATAKA POWER TRANSMISSION CORPORATION LIMITED is in no way responsible in case the money is not deposited in the notified central pooling account, within the stipulated period. The name of the account and the account number and other details are displayed in the generated challan for the information of the Bidder.

The Bidder's bid will be evaluated only on confirmation of receipt of the payment (EMD) in the Government of Karnataka central pooling account.

EMD amount will have to be submitted by the Bidder taking into account the following conditions:

- a. EMD will be accepted only in the form of electronic cash (and not through Demand Draft or Bank Guarantee) and will be maintained in the Government's central pooling account until the finalization of the tender.
- b. The entire EMD amount for a particular tender has to be paid in a single transaction.

For details on e- Payment services refer to e-Procurement portal for more details on the process.

- 17.3 Any tender not accompanied by an acceptable earnest money deposit and not secured as indicated in Sub-Clauses 9.1 above shall be rejected by the Employer as non-responsive.
- 17.4 The earnest money deposit of unsuccessful Bidders will be returned within 30 days of the end of the tender validity period specified in Sub-Clause 8.1.
- 17.5 The earnest money deposit of the successful Bidder will be discharged when the Bidder has signed the Agreement and furnished the required Performance Security.
- 17.6 The earnest money deposit may be forfeited:
 - (a) if the Bidder withdraws the Tender after tender opening during the period of tender validity;
 - (b) if the Bidder does not accept the correction of the Tender Price, pursuant to Clause 19; or
 - (c) in the case of a successful Bidder, if the Bidder fails within the specified time limit to
 - (i) sign the Agreement; or
 - (ii) furnish the required Security deposit

18.0 Period of validity of bids:

- 18.1 Bids shall be kept valid for acceptance for a period of 180 days from the date of opening of bids, excluding the date of bid opening. A bid valid for a shorter period will be rejected by the KPTCL as non-responsive.
- 18.2 In Exceptional circumstances the KPTCL may solicit the bidder's consent to an extension of the period of the validity. The request and the response there to shall be made in writing. A bidder may refuse the request, but while granting the request for extension of validity the bidder will not be permitted to modify his bid.

Format Of Bid And Submission Of Bid:

19.0 Format of Bid:

- 19.1 The bids are invited through e-procurement Mode only.
- 19.2 The price bid consists of Price Sheet.
- 19.3 A Prospective Bidder, who wishes to submit the bid, shall adopt the following procedure.
- 19.4.1 Tender processing fee shall be paid as mentioned in the e-procurement portal through e-payment mode of e-procurement portal.

- 19.4.2 The bidder shall key in the prices sheet and upload them on to the on or before the time and date indicated in notification.
- 19.4.3 The following documents are to be sealed in a cover and sent to the Chief Engineer, Electricity, Transmission Zone, KPTCL, _____, so as to reach on or before the last date and submit time of submission (uploading) of the bids, indicated in notifications.
- i) Demand draft/pay order towards EMD amount and the Bank Guarantee if any.
 - ii) Power of Attorney.
- 19.5 The bid shall contain no interlineations, erasures, or over writing except as necessary to correct errors made by the bidder. Such erasures or other changes in the bid including the proposal documents shall be over the initials of the person(s) signing the bid.
- 19.6 All pages of the bid, except for un-amended printed literature shall be signed by the person or persons signing the bid.

20.0 Submission of bids to KPTCL

- 20.1 The bidder shall submit the bid in Electronic Mode only. The bidders shall submit all the documentary evidences/supports in respect of qualifying requirements and other requirements through electronic mode only and no hard copies will be accepted except the earnest money deposit and the bank guarantee towards the same and Power of Attorney. Failure to furnish the documentary evidences/supports electronically would result in outright rejection of their offers. The bidder must ensure that the bids are received in the specified website of the KPTCL by the date and time indicated in the invitation for bids. No request from any bidder to the KPTCL to collect the bids in physical form, from airlines, cargo agents etc., will be entertained by the KPTCL.
- 20.2 Bids must be received by the KPTCL at the address specified, not later than time and date specified in invitation for bids for this purpose or in cases any extension has been given thereto, on the extended bid submission date advertised or notified to all the bidders who have purchased the bid documents.
- 20.3 In case, the KPTCL at its direction, extends the dead line for the submission of bids, all right and obligations of the KPTCL and the bidders previously subject to the deadline shall thereafter be subject to the deadline (for submission of bids) as extended.
- 20.4 The KPTCL reserves the right to reject any bid, which is not deposited according to the instruction, stipulated above.
- 20.5 Late Bids:**
Any bid received by the KPTCL after the deadline for submission of bids prescribed by the KPTCL will be rejected.
- 20.6 No bid may be withdrawn in the interval between the deadline for submission of bids and the expiration of the period of bid validity. Withdrawal of a bid during this interval shall result in the Bidder's forfeiture of its bid security/EMD.

21. Acceptance of Tenders

- a) The KPTCL does not bind itself to accept the lowest or any tender, neither will any reason be assigned for the rejection of any tender or part tender. The Bidder on his part binds himself to provide services selected from his offers in part or whole at the option of the Corporation.
- b) Disregard of Tender Conditions. The Corporation reserves itself the right to reject any tender, which does not conform to any of the above conditions.

21.1 Earnest Money of Unsuccessful Bidders:

Earnest Money deposited by unsuccessful bidders will be returned as soon as possible after the tender has been settled, upon the bidder returning the original EMD receipt to this office duly discharged in favor of the Corporation, along with refund voucher duly signed.

22.0 Cost of bidding:

All the costs and expenses incidental to preparation and submission of the proposals, discussion and conferences, if any, including pre-award discussions with the successful bidder, technical and other presentations including any demonstrations etc., shall be to the account of the bidders and the KPTCL shall not be responsible.

23.0 Content of Bidding Documents:

- 23.1 The details of services required, bidding procedures and contract terms are prescribed in the bidding documents.
- 23.2 Any amendment, errata or addendum issued by the KPTCL prior to bid opening shall constitute integral part of the bid.
- 23.3 The bidder is expected to examine all instructions, forms, terms and specifications in the bidding documents, or submission of a bid not substantially responsive to the bidding documents in every respect will be at the bidder's risk and may result in the rejection of the bid.

Bid Opening And Evaluation:

24.0 Bid opening and evaluation:

Bids will be opened on the date and time fixed by the owner for opening of bids, and after fully satisfying the bid conditions, the price bid in Electronic Mode will be opened and scrutinized by the owner. Bidder's representatives (up to 2 persons) who choose to attend at the date and time for opening of bids in the "invitation to bid" or in case any extension has been given thereto, on the extended bid opening date and time notified to all the bidders who have purchased the bidding document. The bidder's representatives who are present shall sign a register evidencing their attendance.

The bidder's names, any modifications to bid, bid withdrawal and such other details will be available on the website after opening.

The price bids (in Electronic Mode) of all the Responsive Bidders shall be opened in the presence of representatives (up to two firm) of such bidders who choose to be present. The date/time of opening the price bid shall be intimated to all such

qualified bidders by fax/letter in advance besides inviting final price bid if found appropriate after evaluation of Technical bids.

The bidder's name, lumpsum bid price, all discounts if any, modifications in the price bid will be available on the website.

No electronic recording/transmitting devices will be permitted during bid opening.

25.0 Purpose of evaluation of bids:

The bids received/accepted/opened will be evaluated by KPTCL to ascertain the technical responsiveness of the bid for the complete scope of the proposal, as covered under these specifications and documents. The price bids of all technically responsive bids shall then be examined to determine the LOWEST EVALUATED COMMERCIALY AND TECHNICALLY RESPONSIVE BIDS.

26.0 Evaluation of price Bids:

The bids shall be compared on the basis of lumpsum price for the entire scope of the proposal as defined in the Bidding Document.

Award Of Contract:

27.0 Award Criteria:

The owner will award the contract to the successful bidder whose bid has been determined to be substantially responsive and has been determined as the lowest evaluated bid, providing further that the Bidder is determined to be qualified to perform the contract satisfactorily. The KPTCL shall be the sole judge in this regard.

28.0 KPTCL's right to accept any bid and to reject any or all bids:

The KPTCL reserves that right to accept or reject any bid and to annul the bidding process and reject all bids at time prior to award of contract, without thereby incurring any liability to the affected Bidder or Bidders or any obligation to inform the affected Bidder or Bidders of the grounds for the KPTCL's action.

29.0 Notification of Award:

Prior to the expiration of the period of bid validity and extension validity period if any, the owner will notify the successful bidder in writing by registered letter or fax to be confirmed in writing by registered letter, that its bid has been accepted.

30.0 Signing of Contract:

30.1 At the same time as the KPTCL notifies the successful bidder that it has been accepted, the owner will send the Bidder, the detailed letter of Award, incorporating all agreements between the parties.

30.2 Within 15 days of receipt of the detailed letter of Award, the successful, bidder shall sign the same with the date and return it to the KPTCL.

30.3 The bidder will prepare the contract Agreement as per the proforma enclosed and the same will be signed within 30 (Thirty) Days of notification of award.

31.0 Contract performance Guarantee

31.1 As a contract performance guarantee, the successful bidder, to whom the work is awarded, shall be required to furnish a performance Guarantee from a Public Sector Indian Bank/Scheduled commercial Bank 9in the second schedule of the

RBI Act 1934) and the Bank should be covered under the jurisdiction of Indian laws. The guarantee amount shall be equal to 10% of Contract price and it shall guarantee the faithful performance of the contract in accordance with the terms and conditions specified in these documents and specifications.

31.2 The Performance Guarantee shall cover additionally the following guarantee to the Owner.

- a) The successful Bidder guarantees that the maintenance services provided by him is competent and conforms to highest standards and shall upon oral/written notice from owner fully attend to breakdown's and maintenance works etc.
- b) The successful bidder guarantees that all the materials supplied and utilized for the works under the contract will satisfy technical specifications of KPTCL.
- c) Essential line materials shall be sourced from vendors approved by KPTCL.

32. Security deposit

32.1 Within 20 days of receipt of the Letter of Acceptance, the successful Tenderer shall deliver to the Employer a Security deposit in any of the forms given below for an amount equivalent to 10% of the tender amount

- Banker's cheque/Demand draft/Pay Order in favour of _____ payable at _____

32.2 If the security deposit is provided by the successful tenderer in the form of Bank Guarantee, It shall issue either by a Nationalized/ Scheduled Bank with validity of 15 months.

32.3 Failure of the successful Tenderer to comply with the requirements of Sub-Clause 32.1 shall constitute sufficient grounds for cancellation of the award and forfeiture of the earnest money deposit.

32.4 The contract performance security shall be retained till the expiry of Contract period.

33. Corrupt or Fraudulent practices

33.1 The GOK requires that the Tenderers/Suppliers/Contractors, observe the highest standard of ethics during the procurement and execution of such contracts. In pursuance of this policy, GOK:

- (a) will reject a proposal for award if it determines that the Tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question;
- (b) will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a GOK contract if it at any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a GOK contract

Chief Engineer, Electricity,
Transmission Zone, _____ KPTCL.

Vol. I
SECTION-III

General Conditions of Contract (GCC)

A. INTRODUCTION

1.0 Definition of terms:

- 1.1 The contract means the agreement entered into between KPTCL and contractor as per the contract Agreement signed by the parties including all attachments and appendices thereto all documents incorporated by reference therein.
- 1.2 KPTCL means Karnataka Power Transmission Corporation Limited and shall include their legal representatives, successors and assignees.
- 1.3 'Contractor' shall mean the bidder whose bid will be accepted by the KPTCL for the award of work and shall include such successful Bidder's legal representatives, successors and assignees.
- 1.4 'Engineer' shall mean the officer appointed in writing by the KPTCL to act as Engineer from time to time for the purpose of contract.
- 1.5 The term 'contract price' shall mean the lumpsum price quoted by the contractor in his bid with addition and/or deletions as may be agreed and incorporated in the letter of Award, for the entire scope of the works, item wise.
- 1.6 'Inspector' shall mean the KPTCL or any person nominated by the KPTCL from time to time, to inspect the line maintenance work under the contract and/or the duly authorized representative of the KPTCL.
- 1.7 'Notice of Award of Contract'/'Letter of Award'/'Fax of Award' shall mean the official notice issued by the KPTCL notifying the contractor that his bid has been accepted.
- 1.8 'Date of Contract' shall mean the date on which notice of award of contract/letter of award has been issued.
- 1.9 'Month' shall mean the calendar month. 'Day' or 'Days' unless herein otherwise expressly defined shall mean calendar day or days of 24 hours each. A 'week' shall mean continuous period of seven (7) days.
- 1.10 'Writing' shall include any manuscript, type written or printed statement, under or over signature and/or seal as the case may be.

2.0 Jurisdiction of Contract:

The laws applicable to the contract shall be the laws in force in India. The Courts of Bangalore shall have exclusive jurisdiction in all matters arising under the contract.

3.0 Manner of Execution of Contract:

- 3.1 The KPTCL, after the issue of the letter of award to the contractor, will send one copy of the final Agreement to the contractor for his scrutiny and approval.
- 3.2 The Agreement, unless otherwise agreed to, shall be signed within 30 days of acceptance of the Letter of Award, at the office of the KPTCL on a date and time to be mutually agreed. The contractor shall provide for signing of the contract, Performance Guarantee in six copies, appropriate power of attorney and other requisite materials. In case the contract is to be signed beyond the stipulated time, the Bid Guarantee submitted with the proposal will have to be extended accordingly.

- 3.3 The Agreement will be signed in six originals and the contractors shall be provided with one signed original and the KPTCL will retain the rest.
- 3.4 Subsequently to signing of the contract, the Contractor at his own cost shall provide the KPTCL with at least 5 times bounded copies of Agreement within 30 days after the signing of the contract to Corporate Office/CEE/SEE/EEE/Station in-charge one to contractor.

4.0 Completion of contract:

Unless otherwise terminated under the provisions of any other relevant clause, this contract shall be deemed to have been completed on the expiry of the contract period unless and otherwise extended.

B. Guarantees and Liabilities:

5.0 Efficiency and Expertise-the essence of contract:

5.1 The efficiency and expertise of the contract is stipulated in the contract by the KPTCL without or with modifications, if any, and so incorporated in the Letter of Award, shall be deemed to be the essence of the contract. The Contractor shall so organize his resource and perform his work agreed to satisfactorily.

5.2 The contractor shall submit a detailed maintenance schedule and execute the same meticulously and report it within the time frame agreed consisting of adequate number of activities covering various key phases of the operation and maintenance work. The contractor shall discuss the schedules submitted with the KPTCL and the agreed schedule of maintenance, shall be reported in writing Monthly. During the performance of contract, if in the opinion of line in-charge, proper maintenance and operation is not performed efficiently and satisfactorily, suitable notice shall be issued to the contractor with a copy to concerned EEE/SEE to ensure proper functioning of the Transmission lines.

6.0 Effectiveness of Contract:

The Contract shall be considered as having come into force from the date of the Notification of Award unless otherwise provided in the notification of Award.

7.0 Guarantee/ Penalty:

a) The contract Agency should efficiently attend all breakdown and outages within shortest possible duration. Any delay in restoring power supply due to either inefficiency or irresponsibility shall be penalized by review committee after getting a report from line in-charge

b) In the event of any penalty for delayed restoration of power supply / delayed evacuation of power generation, Such penalty either from PGCL or Government Agency or any other authorized legal agency shall be paid by the Successful Bidder / Contract Agency

8.0 Taxes, Permits and Licenses:

The Contractor shall be liable and pay all Indian Taxes, duties and levies lawfully assessed against the owner or the contractor in pursuance of the contract.

9.0 Replacement of defective parts and materials due to mal-operation:

If during the performance of the contract, the Engineer shall decide and inform in writing to the Contractor that the contractor has damaged any equipment, due to mal-operation, the contractor on receiving details of such acts shall at his own expense, immediately repair within such time as may be reasonably necessary for making it good, proceed to alter, reconnect or remove such work and furnish fresh equipment's/materials up to the standards of the specifications.

10.0 Limitation of liabilities:

The final payment by the KPTCL in pursuance of the contract shall mean the release of the contractor from all his rights and liabilities under the contract. Such final payment shall be made only at the end of the contract period, and till such time all the contractual liabilities and responsibilities of the contractor, shall prevail. All other payments made under the contract shall be treated as on account payment.

10.1 If in the opinion of the contractor, a decision made by the transmission lines in-charge is not in accordance with standard practice he may report to EEE/SEE/CEE concerned.

10.2 The contract performance security shall cover guarantees to the KPTCL for efficient and satisfactory maintenance of 400 KV lines under the contract.

11.0 Payment:

11.1 The payment to the contractor for the performance of the work under the contract will be made by the owner as per the guidelines and conditions specified herein.

a) All payments for routine and preventive maintenance works for any month will be paid in the succeeding month.

b) All payments for minor rectification/repair works will be made in the month succeeding the month in which such minor rectification/repair works were carried out.

c) Payments for breakdown rectifications will be made after successful completion of works.

12.0 Mode of Payment:

The Payment due shall be made by the owner directly to the contractor as per the payment schedule detailed in clause 13, after effecting outstanding recoveries, if any.

13.0 Contractor's default:

If the contractor fails to satisfactorily execute maintenance works due to negligence, with due diligence and expediency or shall refuse or neglect to comply with any reasonable order given to him, in writing by the transmission lines in-charge in connection with the operational works or shall contravene the provisions of the contract, the owner may give notice in writing to the contractor to make good for the failure/loss sustained due to the same. Should the contractor fail to comply with the notice within thirty (30) days from the date of serving the notice, then and in such case the KPTCL shall recover it in his pending bills.

14.0 Termination of contractor on KPTCL's initiative:

The KPTCL reserves the right to terminate the contract either in part or in full due to reasons other than those mentioned under clause entitled contractor's default without incurring any liability of whatsoever nature including loss/damage. The KPTCL shall in such an event give one (1) month notice in writing to the contractor of his decision to do so. The contractor upon receipt of such notice shall discontinue the work on the date to the extent specified in the notice.

15.0 Delay in the Contractor's performance:

15.1. In the event of failure of the contractor to execute the contract as per the terms and conditions of contract, KPTCL reserves the right to get the work done from outside / any other agencies, at the risk and cost of the contractor.

15.2 Notwithstanding anything stated hereinabove, KPTCL reserves the right to terminate the contract by giving one month written notice to the contractor without assigning any reason whatsoever.

15.3 In case of failure in deployment of manpower at any time, necessary recovery shall be made from the running bill @ 1.5 times of pro-rata rate.

15.4. KPTCL shall verify all the documents pertaining to PF code, ESI Code and with respect to other labour laws time to time. In case of discrepancy in these documents, KPTCL shall terminate the contract with due notice to the party.

16.0 COMPLIANCE OF CONTRACT LABOUR (REGULATIONS AND ABOLITION) ACT-1970, MINIMUM WAGES AND PROVIDENT FUND ACT, LABOUR LAWS & STATUTORY REQUIREMENTS

16.1 Contractor shall also be responsible for observance of Labour Regulations in respect of Labour Welfare. Labour license, under the relevant act, shall be obtained by the Contractor and a copy of the same shall be submitted to the Chief Engineer EI, Transmission Zone KPTCL.

16.2 Electrical Contractors Licence, Labour licence, under the relevant act, shall be obtained by the Contractor and a copy of the same shall be submitted to the Chief Engineer EI, Transmission Zone KPTCL.

16.3 Contractor shall get his firm/establishment registered under the applicable Law & obtain the License, Registration Certificate, etc. from Competent Authorities and keep it updated from time to time.

16.4 Within 15 (fifteen) days of award of work, Contractor shall furnish to the Chief Engineer EI, Transmission Zone KPTCL. a true copy of the licence taken by them, under Contract Labour (Regulation and Abolition Act-1970) for employing workers (if applicable as per ACT) in KPTCL's works. To enable the successful bidder / contractor to obtain relevant licence the Chief Engineer EI, Transmission Zone KPTCL. shall issue necessary certificate in the prescribed format as applicable to the fact that Contractor have been engaged by KPTCL for execution of the relevant works under this contract.

16.5 The Contractor shall comply with provisions of Minimum Wages Acts, Employee Provident Fund Act, ESI Act, Workmen Compensation Act, Industrial Dispute Act relevant labour laws, viz. Contract Labour (R&A) Act, ISMW Act, Payment of

Wages Act, BOCW (RE&CS) Act, BOCW Welfare Cess Act, etc and all other statutory requirements as applicable in the State.

- 16.6 If owing to the breach of any of the provisions of these Acts or any other relevant Acts on the part of the successful bidder/contractor, KPTCL is held liable by the Appropriate Authority under these or any other Acts as Principal Employer and is asked to pay damages/fines for such breach, then KPTCL will have the right to deduct such amount from the bills of the successful bidder/ contractor. The contractor/successful bidder shall indemnify such losses as are incurred by KPTCL resulting from his non-compliance with the relevant statutory provisions.
- 16.7 The Contractor shall furnish the Monthly reports as per format to the Officer-in-charge by 3rd of every month, without fail, about the coverage of Provident Fund, for contract labour, and report on contract labour. The Contractor shall maintain register of Workmen Employment Card, register of Wage-cum-muster roll, register of fines as register of deduction for damage or loss to KPTCL, wage slip / and register of accidents. The Contractor shall be liable to show the same as and when called upon by KPTCL officials or Engineer / Officer – in- charge or any statutory authorities and the failure of which will entail for fines.
- 16.8 If KPTCL, as "Principal Employer", is held liable to pay compensation, differential of wages, contributions etc. under any Act or decision of the Court in respect of the workmen employed by the contractor, then the contractor would reimburse the amount of such compensation, differential of wages, contribution, etc. so paid by KPTCL, or else the same may be recovered from any amount due to the contractor.
- 16.9 The contractor shall pay to Employees employed by him, wages not less than minimum wages & DA as notified by the Statutory Authority from time to time as the case may be and as per the latest minimum wages act.
- 16.10 Contractor is required to possess independent PF Code Number (if not already registered) from respective Regional Provident Fund Commissioner and furnish requisite details within a period of maximum 30 days from the date of Award of the contract and is required to follow PF regulations
- 16.11 The contractor should have independent ESI code number and contractor shall register the labours with ESI Office and obtain the cards on individual names.
- 16.12 Contractor shall comply all statutory requirements of state/central government towards minimum wages, includes DA, EPF, ESI, HRA, ELDI, bonus and all other statutory requirements with administrative charge.
- 16.13 Contractor shall pay the ESI & EPF contribution of all employees as per the prevailing Employees Insurance and Employees Provident Funds Acts under the contract, as per Law.
- 16.14 Contractor should be responsible to fulfill all the obligations in connection with the personnel engaged by the contractors for the purpose of the contract and all the statutory and other liabilities, it any, including minimum wages, leave salary, uniform, ex-gratia, gratuity, ESI, HRA, Provident Fund, Workmen Compensation, it any, etc. in connection therewith shall be on the Contractor's account and payable by the Contractor.

16.15 Contractor should obtain necessary permission that may be required for the purpose of this contract from such authority as may be prescribed by Law from time to time.

16.16 The Contractor shall pay to Employees employed by him, wages not less than minimum wages & DA as notified by the respective State Govt. from time to time as the case may be.

17.0 Insurance:

17.1 The contractor shall have whole/ sole responsibility for any damage / loss of life and property of KPTCL arising out of acts of mishaps or carelessness on the part of the contractor or his staff during the execution of the work. The contractor shall fully compensate KPTCL for such damage/ loss. The decision of KPTCL in this regard shall be final and binding.

17.2 Workmen Compensation Insurance: It will be the responsibility of the successful bidder / the contractor on whom the work shall be awarded to ensure that the labours engaged / deployed for the routine maintenance works are insured under workmen compensation insurance or any other equivalent policy whichever is advantageous. Insurance shall be arranged through reputed Insurance Company to be approved by the Engineer – In charge. The payment towards the premium paid for the work men compensations insurance or equivalent shall be reimbursed by KPTCL on production of documentary evidence. The insurance coverage taken shall be exclusively for the respective package only and valid initially for a period of two years from the date of issue order and shall be renewable / extended depending upon the extension of the contract. The details of the contract agreement / Letter of award issued by KPTCL to the successful bidder shall have to be brought out in the policy. However, prior to taking any policy, consent of the Engineer – In charge has to be taken by the successful bidder. In case of any untoward incident it will be the responsibility of the contractor to take necessary action for statutory compliance viz., lodge FIR with the local police, inform the respective Labour commissioner, for lodging the claims with insurance company, etc. The contractor shall indemnify and keep indemnified the Corporation against all losses and claims for injuries or damages to any person or property whatsoever which may arise out of or in consequence of the execution of the contract and against all claims, demands proceedings, damage cost, charges and expenses whatsoever to this respect.

17.3 Group Insurance: Further to the above the agency may also cover the labours engaged for the routine maintenance under appropriate group insurance scheme and the payment towards the same shall be in the scope of the agency.

17.4 The above insurance coverage's (Workmen Compensation & Group Insurance) for The manpower engaged for the routine works should be able to get at an amount as per the details given here under:

- 18.7 KPTCL will not entertain any sort of legal obligation compensation etc., arising out of acts of mishaps or carelessness on the part of the contractor or his staff during the execution of the work.
- 18.8 The Contractor shall be wholly responsible if any action is taken by the Authorities against the owner on account of non-compliance of any of the provisions of laws by the Contractor and/or any loss thus caused to the owner, shall be indemnified by the Contractor.
- 18.9 In case any accident occurs during the contract period, the contractor shall be entirely and solely responsible to pay compensation as per provisions of the Workmen's Compensation Act within the prescribed time. KPTCL shall not be held responsible in this regard in any manner whatsoever
- 18.10 If any litigation / dispute arises in a court in relation to the manpower employed by the Contractor, the same shall be settled or defended by the Contractor without involving KPTCL.
- 19.0 Payment to Contract Labours through Bank Account:**
Contractor is required to disburse the wages to the contract labours deployed by them as per the terms of the provision made in the payment of wages Act, on or before 7th of every month through 'On-line ECS Transfer' or 'Direct Remittance to their Bank Account'. For implementation of this, contractor shall assist their staff in opening personal saving bankaccount, if required.
- 20.0 Sub-Letting & Assignment:**
The vendor / bidder / contractor shall not sublet, transfer or assign any part of this contract without the prior written consent of KPTCL. Such assignment or subletting or transfer shall not relieve the contractor from any obligation, duty and responsibility under this contract. Any assignment, transfer or subletting without the prior written approval of KPTCL shall be void. KPTCL has the right to cancel the contract and get the balance contract executed from other sources/ agencies at the risk and cost of the contractor.
- 21.0 Arbitration:**
All the questions and disputes relating to the meaning and instructions under this contract herein before mentioned shall be referred to sole arbitration of the Chief Engineer EI, Transmission Zone KPTCL.. The award of the sole Arbitrator shall be final, conclusive and binding on both the parties. Notwithstanding anything any dispute between the parties, the Contractor shall not be entitled to withhold, delay or defer his obligations under the contract and same shall be carried out strictly in accordance with the terms and conditions of contract.
The arbitration shall be conducted in accordance with the provisions of the Arbitration and conciliation Act, 1996 or any statutory modifications thereof re-enactment OR any scheme, rules made there under and for the time being enforce. The venue of arbitration shall be Raipur. The court of Bangalore shall have exclusive jurisdiction in all matters arising out of the contract.
- 22.0 Termination of Contract:**
- 22.1 If the work of Contractor is found to be unsatisfactory at any stage of execution of Contract, KPTCL reserves the right to terminate the Contract by giving one

month's written notice to the Contractor and get the same executed through other agency at the risk and cost of the Contractor.

22.2 Notwithstanding anything stated herein above, KPTCL reserves the right to terminate the Contract by giving one month's written notice to the Contractor without assigning any reason whatsoever

23.0 Reference Contract Price for Different Purposes:

23.1 The contract price, as originally awarded, shall be the reference price for determining the initial value of CPG. In case of any amendment to the contract, the contract price as amended shall be the reference price for determining the value of CPG Amount. Accordingly the deductions towards SD if applicable shall be effected. In case of CPG the agency shall have to submit an amendment to the CPG already submitted enhancing the amount.

24.0 General:

- 24.1 The Bidder / contractor should submit their bids considering minimum wages in respect of labour to be deployed includes DA, EPF, ESI, HRA, ELDI, bonus and all other statutory requirements with administrative charges.
- 24.2 For reasons which may include unsatisfactory performance of the works under the Contract, or the Contractor resorting to unacceptable or unlawful and fraudulent business practices either during bidding or during execution of the Contract, or for any other reason whatsoever, the Owner may at its discretion forbid the Contractor from participating in any future bidding process for a specified period of time.
- 24.3 Bidder/Contractor shall keep confidential & shall not, without the consent of KPTCL, which shall not be unreasonably withheld, divulge or part off to any third party any documents, data or other information in connection with this assignment except where such information are of public domain or required under the statute or law.
- 24.4 If any equipment / materials / property / fitting or fixture, is damaged by the contractor or themanpower engaged by him during the works, the cost as fixed by the Engineer / Officer-in-Charge shall be recovered from his bills. The decision of the Engineer / Officer- in-charge inregard shall be final and binding upon the contractor.
- 24.5 All the persons deployed by the contractor for the work shall have identity card and should produce the same when asked by security personnel/KPTCL official, during the workinghours.
- 24.6 Contractor has to comply with all requirements of Social Accountability Standards i.e. SA 8000(latest standard available at www.sa-intl.org) and maintain necessary records.
- 24.7 Contractor shall ensure to provide suitable manpower or replace with a standby in case any of the regular staff deployed is absent or on leave. Failing to deploy suitable standby will attract penalty which will be equivalent to 1.5 times of the rate per day per labour and will be subsequently increased to 2 times if the absence is for more than 15 days.
- 24.8 Any act of indiscipline/ misconduct/ theft/ pilferage on the part of any employee engaged by the contractor resulting in any loss to KPTCL or any of its clients in

kind or cash will be viewed seriously and KPTCL will have right to claim damages or levy fine and / or terminate the Contract forthwith, if necessary

24.9 The contractor should not at any time do, cause or permit any nuisance on the site / do anything which shall cause unnecessary disturbances or inconvenience to the occupants/ visitors at site or near the site of work.

24.10 The work should be carried out with least inconvenience to the occupants / staff members of KPTCL. The workmen employed by the Contractor should abide by the Rules and Regulations maintained by KPTCL in the premises, especially in respect of working hours, entry of workers to the premises, wearing of uniforms, interpersonal relation with occupants. inspection by KPTCL representatives as and when called for as per enclosed Annexure-A to GCC.

27.0 CONFLICT OF INTEREST:

A Bidder shall not have a conflict of interest. All Bidders found to have a conflict of interest shall be disqualified. A Bidder may be considered to have a conflict of interest with one or more parties in the bidding process, if:

- a) They have a controlling partner in common; or
- b) They receive or have received any direct or indirect subsidy from any of them; or
- c) They have the same legal representative for purpose of this bid; or
- d) They have a relationship with each other, directly or through common third parties, that puts them in position to have access to information about or influence on the bid of another Bidder, or influence the decisions of the Employer regarding this bidding process; or
- e) A Bidder submits more than one bid in this bidding process, either individually [including bid submitted as a agent / authorized representative on behalf of one or more manufacturer(s) or through Licensee - Licensor route, wherever permitted as per the provision of Qualification Requirement enclosed. This will result in the disqualification of all such bids. However, this does not limit the participation of a Bidder as a subcontractor in another bid, or a firm as a subcontractor in more than one bid; or
- f) A Bidder or any of its affiliates participated as a consultant in the preparation of the design or technical specifications of the Plant and Installation Services* / Goods and Related Services** that are the subject of the bid;

28.0 Settlement of disputes:

- 28.1 Any dispute(s) or differences(s) arising out of or in connection with the contract shall, to the extent possible, be settled amicably between the parties.
- 28.2 If any dispute or difference of any kind whatsoever shall arise between KPTCL and the Contractor, arising out of the Contractor's performance of the works, whether during the breakdowns or after its completion or breach of the contract, it shall, in the first place, be referred to and settled by the CEE/SEE who within a period of thirty (30) days after being requested by either party to do so shall give written notice of his decision.
- 28.3 For the purpose of this contract, courts at Bangalore alone shall have jurisdiction.

29.0 Payment of Claims:

The Contractor shall prepare and submit bill towards Transmission Line maintenance charges 1st week of every months through in-charge, Executive Engineer (Elec.) of concerned Divisions who shall make payments. The Contractor's performance shall be reviewed at least once quarterly by Executive Engineer (Elec.) Maintenance Division, at least once half yearly by Superintending Engineer (Elec.) Transmission (Maintenance) at least once yearly by Chief Engineer, Elec., Transmission KPTCL.

**Chief Engineer, Electy.,
Transmission Zone, KPTCL**

Annexure-A to GCC

Observance of Social Accountability 8000:

The Contractor shall comply with all the requirements of SA 8000:2008, as listed below, and maintain appropriate records in support thereof, and produce for inspection by KPTCL representatives as and when called for.

a. Child Labour:

The Contractor shall not engage or support the use of child labour (person below the age of 14 years) in carrying out any work awarded by KPTCL. The Contractor shall also not expose children (persons below the age of 14 years) or young workers (persons below 18 years) to situations in or out side of the work place that are hazardous, unsafe and unhealthy.

b. Forced Labour:

The Contractor shall not engage in or support the use of forced labour, nor shall personnel be required to lodge "deposits" or identity papers upon commencement of employment with the Contractor.

c. Health & Safety:

The Contractor shall take requisite steps to prevent accidents and injury to health of its workmen, arising out of, associated with or occurring in the course of work, by minimizing the causes of hazards inherent in the working environment. All the Personal Protective Equipments required as per the nature of activity, such as Safety Helmets, Safety Belts, appropriate Gloves, etc., shall be issued to all their workmen.

d. Freedom of Association and Right to Collective Bargaining:

Respect the right to form and join trade unions and bargain collectively.

e. Discrimination:

The Contractor shall not engage in or support discrimination in hiring, remuneration, access to training, promotion, termination or retirement based on race, caste, national origin, religion, disability, gender, sexual orientation, union membership, political affiliation, or age.

f. Discipline:

The Contractor shall not engage in or support the use of corporal punishment, mental or physical coercion, and verbal abuse.

g. Working Hours:

The Contractor shall comply with applicable laws and industry standards on working hours. The normal workweek shall be as defined by law but shall not on a regular basis exceed 48 hours. Personnel shall be provided with at least one day off in every Seven-day period. All overtime work shall be reimbursed at a premium rate and under no circumstances shall exceed 12 hours per employee per week.

h. Remuneration:

The Contractor shall ensure that wages paid for a standard working week shall always meet at least legal or industry minimum standards.

Vol-7

**PROFORMA OF BANK GUARANTEE FOR
CONTRACT PERFORMANCE**
(To be stamped in accordance with Stamp Act)

Ref..... Bank Guarantee No.....
Date.....

TO

Dear sirs,

In consideration of the Karnataka Power Transmission Corporation Limited, (hereinafter referred to as the Owner which expression shall unless repugnant to the context or meaning thereof include its successors, administrators and assigns) having Awarded to M/s.....with its Registered/Head Office at..... (hereinafter referred to as the 'Contractor' which expression shall unless repugnant to the context or meaning thereof, include its successors, administrators, executors and assigns), a contract by issue of owner's letter of award no.....dated.....and the same having been unequivocally accepted by the Contractor, resulting in a Contract bearing No.... dated....valued at.....for.....(Scope of contract) and the Contractor having agreed to provide a contract performance guarantee for the faithful Performance of the entire contract equivalent to.....*.....(%).....percent) of the said value of the contract to the owner.

We.....(Name & Address)

Having its Head Office at.....(hereinafter referred to as the 'Bank' which expression shall, unless repugnant to the context or meaning thereof, include its successors, administrators, executors and assigns) do hereby Guarantee and undertake to pay, the owner, merely on demand any and all monies payable by the Contractor to the extent of.....as aforesaid at any time up to.....**.....(days/Month/year) without any demur, reservation, contest, resource or protest and/or without any reference to the Contractor.

Any such demand made by the owner on the Bank shall be conclusive and binding not withstanding any difference between the owner and the contractor or any dispute pending before any court, Tribunal, Arbitrator or any other authority. The bank undertakes not to revoke this Guarantee during its currency without previous consent of the owner and further agrees that the Guarantee herein contained shall continue to be enforceable till the owner discharges this Guarantee.

The owner shall have the fullest liberty without affecting in any way the liability of the Bank under this Guarantee, from time to time to extend the time for Performance of the contract by the contractor. The Owner shall have the fullest liberty, without affecting this guarantee, to postpone from time to time the exercise the same at any time in any manner, and either to enforce or to forbear to enforce any covenants, contained or implied, in the contract between the owner and the contractor or any other course or remedy or security available to the Owner. The Bank shall not be released to its obligations under these presents by any exercise by the owner of its liberty with reference to the matters aforesaid or any of them or them or by reason of any other act of omission or commission on the part of the owner or any other indulgences shown by the owner or by any other matter or thing whatsoever which under law would, but for this provision have the effect of relieving the Bank.

The Bank also agrees that the owner at its option shall be entitled to enforce this guarantee against the Bank as a Principal Debtor, in the first instance, without proceeding against the contractor and not withstanding any security or other Guarantee the owner may have in relation to the Contractor's liabilities. Notwithstanding anything contained herein above our liability under this Guarantee is restricted to Rs.....and it shall remain in force up to and including.....and shall be extended from time to time for such period (not exceeding one year), as may be desired by M/s.....on whose behalf this Guarantee has been given.
