 2. Note no. CEE/T&P/SEE/EE (T2)/T-6/2019-20 approved by Managing Director, KPTCL on 20.05.2020.
 3. Draft circular approved by Managing Director, KPTCL on 08.06.2020

During the 188th Central Purchase Committee meeting of Tendering & Procurement held on 23.01.2020 Committee noticed that, for some of the Turnkey Tenders, the Bidders have quoted abnormal Freight and Insurance charges for equipments/materials in Supply Portion. After detailed deliberations, Committee directed to put a Cap on Freight charges+ Insurance charges in future tenders duly taking opinion of CPC members.

Accordingly, CPC members approved that the "Bidder shall quote F&I charges subject to maximum of 6% of the base price and in excess of 6% quoted shall be de-loaded" as per the Major Works Schedule of Rates of KPTCL, wherein the prices are determined considering F&I charges at 6%. Further, directed to include a clause in terms and conditions of tender documents of all future tenders of KPTCL.

Hence, the following condition shall be incorporated in clause no. 12.0 of ITB (Instructions to Bidders) and other relevant clauses of the tender documents for all future tenders of KPTCL.

"The Bidder shall not quote Freight plus Insurance charges more than 6% of Ex-works price (Base price) for each material/equipment in Supply Portion. In case, the Bidder Quotes more than 6% for Freight plus Insurance Charges on Ex-works price (Base price) for any material/equipment, then such excess of 6% quoted will be de-loaded and the prices will be evaluated and awarded accordingly."

The above instructions shall be followed scrupulously.
