- Ref:** 1. Approved by Managing Director, KPTCL vide Note No:B19/345/85-86
Dt: 06.04.2018.
2. KERC Letter No:KERC/CT-2/KPTCL-SC/18-19/384 Dt:13.06.2018.

Preamble:-

Self-Execution Works are the Works that are carried out for availing power supply/ modification/shifting of existing lines by Government/Private bodies after payment of prescribed Supervision Charges to KPTCL. The Supervision Charges of 10% of the cost of the estimate (excluding employee Costs) subject to a maximum of Rs.15.00 Lakhs was fixed during 2005 as per KERC (ES&D) code for Self-Execution Works. The same has not been revised since then. Though the estimate cost is substantially high in many cases, due to ceiling limit, the supervision charges are capped at Rs.15.00 Lakhs only.

Hence, it is proposed for the slab-wise charges along with applicable taxes based on the cost of the Estimate excluding the employee cost for self-Execution works for both Government and private agencies as approved vide Note under reference.

Hence this order,
