1. Corporate order of even No. dated 26/11/2016 and 20/01/2017.
 2. KPTCL/B9/1272 (3)/02-03 dated 09/12/2016 and 14/07/2017.
 3. Corporate office note of even No. dated 17/07/2018.
 4. Corporate O.M of even No. dated 13/08/2018.

Preamble:

The project of construction of Multipurpose Auditorium, Amphitheatre, Executive Hostel Block and Additional Hostel block for Trainees, Executive Conference Hall and other allied works at HRD Centre, Hoody, awarded to M/s. Consolidated Construction Consortium Ltd., Chennai, is in progress. The Administrator, HRDC, has submitted a work slip to Corporate Office for approval, as the same is beyond their delegated powers. The work slip was referred to CEE, (T&P) for processing the same. The CEE, (T&P) has opined that it is difficult to process the work slips and other post award activities related to the subject work, with the existing Civil Engineering staff of his office. He has suggested that the post award activities be referred to CEE, Transmission Zone, Bengaluru

As the project is still in the early stages of construction, many administrative and technical issues from construction point of view are likely to arise, apart from approvals to work slips, variations, contract management etc.. The issue was examined in detail in the Corporate office note dated 25/02/2019 and it was felt appropriate to designate CEE, Transmission zone, Bengaluru, as nodal officer for overall monitoring of the project and to resolve the issues at the earliest. The same was approved by Managing Director. Hence this order.

Orders thereon:

The Chief Engineer (Ele), Transmission Zone, Bengaluru, has been designated as the nodal officer for overall monitoring including post award activities of the project of construction of Multipurpose Auditorium, Amphitheatre, Executive Hostel Block and Additional Hostel block for Trainees, Executive Conference Hall and other allied works at HRD Centre, Hoody, with immediate effect. The Administrator, HRD Centre, is directed to submit all proposals seeking approvals to the Chief Engineer (Ele), Transmission Zone, Bengaluru, in respect of the subject project, with immediate effect.

Further, all proposals relating to civil and electrical works of HRD Centre campus at Hoody, which are beyond the delegated powers of the Administrator, shall henceforth be submitted to Chief Engineer (Ele), Transmission Zone, Bengaluru, for approval.

The Corporate O.M dated 13/08/2018, issued regarding coordinating with all the agencies, for project monitoring, remains unaltered.

The Administrator, HRDC, shall however report to Director (A&HR) in respect of all other issues, pertaining to the activities of HRD Center.

Deputy General Manager (Tech)
