FINANCE SECRETARIAT

**Notification No. FD 18 CPT 83
Bangalore, Dated 31st March, 1983.**

In exercise of the powers conferred by Section 29 of the Karnataka Tax on Professions, Trades, Callings and Employments Act, 1976 (Karnataka Act 35 of 1976) and in supersession of the Notification No. FD 24 CPT 77 dated 21st July 1977, the Government of Karnataka exempts with effect from the first day of April, 1983 persons belonging to Classes III, IV, V and VI specified in Serial Number 1 of the Schedule to the said Act from payment of tax under the said Act.

**By Order and in the name of the
Governor of Karnataka,**

Sd/-

(A. S. Nagaraja)

**Dy. Secy. to Government (Personnel)
Finance Department.**

SCHEDULE

(See Section 3 (2))

Rates of Tax on Professions, trades, callings and employments.

Sl. No.	Class of persons	Rate of Tax
(1)	(2)	(3)
1	Salary or Wage earners belonging to the following classes :—	
	i) Class I	Rs. 20 per month
	ii) Class II	Rs. 15 per month
	iii) Class III	Rs. 12 per month
	iv) Class IV	Rs. 9 per month
	v) Class V	Rs. 6 per month
	vi) Class VI	Rs. 3 per month

Explanation : For the purpose of this items —

i) Class I shall consist of persons whose salary or wages or both, as the case may be, for a month is not less than Rs. 1,500 ;

ii) Class II shall consists of persons whose salary or wages or both, as the case may be, for a month is not less than Rs. 1,200 but is less than Rs. 1,500 ;

iii) Class III shall consist of persons whose salary or wages or both as the case may be, for a month is not less than Rs. 1,000 but is less than Rs. 1,200 ;

iv) Class IV shall consist of persons whose salary or wages or both as the case may be, for a month is not less than Rs. 800 but is less than Rs. 1,000.

v) Class V shall consist of persons whose salary or wages or both as the case may be, for a month is not less than Rs. 600 but is less than Rs. 800 ;

vi) Class VI shall consist of persons whose salary or wages both as the case may be, for a month is not less than Rs. 500 but is less than Rs. 600.

Copy of letter No. PTLCR. 148/82-83 dated 19-4-83 from the Commissioner of Professions Tax, O/o the Commissioner of Commercial Taxes, Karnataka, Bangalore, addressed to the Director of Treasuries, No. 8, Cunningham Road, Bangalore

Sub : The Karnataka Tax on Professions, Trades, callings and Employments Act, 1976 concession in the payment of tax by salary wage earners-reg.

Ref : This office letter of even number dated 12th April, 1983 addressed to you and copy marked to all the Asst. Profession Tax Officers, Dy. Commrs. of Comml. Taxes (Admn.)/(Appeals)/(Int.) in the State and the Accountant General, Bangalore and all the drawing officers in the State.

In this office reference cited above, a copy of the Government Notification No. FD 13 CPT 83dt.31-3-83 was enclosed with a request to instruct all the Treasury Officers/Asst. Treasury Officers/Sub Treasury Officers in the state that salary/wage earners drawing salary/wage of less than Rs. 1,200/-per month are exempt from Profession tax with effect from 1-4-1983. It was also reiterated therein that the term "Salary/Wage" includes pay or wages, Dearness Allowance and other remunerations received on regular basis whether payable in cash or kind and also includes perquisites and profits in lieu of salary as defined in Section 17 of the

Income Tax Act 1961 as per section 2(j) of the Karnataka Tax on Professions Trades, Callings and Employment Act, 1976.

2. Government of Karnataka have since decided to give relief to all the salary/wage earners by restricting the levy of Profession tax on the basic salary or wages or both, as the case may be, pending amendment to the provisions of the Karnataka Tax on Professions, Trades, Callings & Employments Act, 1976. This would imply that the dearness allowance, other allowances and perquisites whether payable in cash or kind or not to be taken into consideration for arriving at the basic salary of Rs. 1,200/- Consequently, you are requested to instruct all the Treasury Officers/Asst Treasury Officers/Sub-Treasury Officers in the State NOT to recover Profession Tax in respect of salary/wage earners drawing basic salary/wage of less than Rs. 1,200/- Deduction of Profession Tax in the case of other than the above exempted category of Salary/wage earners may be continued as at present.

for Secretary, KEB.

KARNATAKA ELECTRICITY BOARD

Read :

Letter No A/AOG/A1/20368 dated 12-1-83 of the Chief Engineer, Electricity, (General) informing that the medical reimbursement bills of KEB. staff residing in the Thippagondanhally were being admitted for payment and now the same has been discontinued consequent to the clarification issued by the Financial Adviser and Chief Accounts Officer that the prescription and essentiality Certificate signed by the Medical Officer, BWSSB, are not recognised for reimbursement and further stating that it is neither economical nor feasible to provide Medical facilities through Board Medical Consultants or establishing Board Dispensary at a remote place for a small Section of the employees. The Chief Engineer, Electricity (General) has requested for ratification of the procedure so far followed and also to admit medical reimbursement claims of the KEB. staff residing at Thippagondanahally by recognising the Medical Officers of B'W S S B. at Thippagondanahally as authorised Medical Attendants.

2) Board Resolution No. 16078 dated 6-4-83.

Order No. KEB/B4/1235/82.83

Bangalore, Dated : 12-5-83

Board is pleased to accord approval for the following :

- a) To admit the medical claims of the employees residing in the Quarters at Thippagondana-

Executive: Rotation to various branches eg: O & M Major Works, Generating Stations, Receiving Stations, Sub-Stations, MT, RT etc.,

Ministerial : Rotation to branches eg : Revenue accounting, Audit, Cash and Stores, Divisional and Circle Offices etc.

- b. Whenever an employee is specially trained to the extent possible be posted to the place where the training could be of maximum benefit to the Board.
- c. In the case of physically handicapped employees. there would be no objection to permit them to continue in the same place for a period exceeding the maximum limit stipulated, provided there are reasons for not doing so.
- d. The number of transfers made in each category should not normally exceed 20% of the strength of the transferable employees in the cadre. In the case the number eligible for transfer is more than 20% then transfers may be limited to about 20%, selected on the basis of length of service. that is, those put in longer years of service in that place should be first transferred, before those who have put in lesser years of service in that place are transferred.
- e. To the extent possible, transfer orders may be issued and given effect before the start of academic year.

and Accounts Officers and above in the Accounts Cadre.

Category 'B' : Officers of the rank of Assistant Engineers and Assistant Accounts Officers.

Category 'C' : Officers of the level of Junior Engineers and Senior Assistants.

Category 'D' : All other employees.

II Minimum and maximum period of stay at a place :

The minimum and maximum period of stay at a place for transferable officers of different categories shall be as follows :

<i>Category</i>	<i>Minimum period of stay at a place</i>	<i>Maximum period of stay at a place</i>
A	2 years	4 years
B	3 years	4 years
C	3 years	6 years
D	3 years	7 years

The competent authority should ensure the minimum and maximum period of stay as above at a place, subject to the guidelines given below.

III General Principle to be followed in effecting transfer

1. The transfers shall be effected on rotation basis to various branches and fields to the extent of possible and applicable in order to give around experience, especially with regard to category A, B and C as follows.

KARNATAKA ELECTRICITY BOARD

No. KEB/B5/1491/82 83.

Board Secretariat
'Cauvery Bhavan',
Bangalore - 9.
Dated : 2-6-1983.

OFFICIAL MEMORANDUM

Sub : Transfer of Board Employees - Review of
of Policy regarding.

The Board has considered it necessary to evolve a suitable policy and guidelines in the matter of transfer of Board employees, to avoid possible complaints of discrimination, favouritism etc, and to avoid hardship to employees resulting from uncertainties in the matter of transfers. Accordingly, the matter has been examined and the following policy guidelines would come into force with immediate effect.

I. Categorisation of Transferable Board Employees :

The minimum and maximum period of stay will not be uniform for all transferable Board employees. Different limits are fixed for different categories, depending on the nature of their duties and level of responsibility. All Board employees who are liable to be transferred shall be categorised into groups as under, for purposes of transfers.

Category 'A' : All officers of the ranks of Assistant Executive Engineers and above in the Executive Cadre

hally which are supported by the prescription slips and Essentiality Certificates signed by the Medical Officers of BWSSB. Dispensary, by recognising the BWSSB. Dispensary at Thippagondanahally for reimbursement purposes.

- b) To ratify the procedure so far followed by the Executive Engineer (Elect.), S.R.S., O. & M. Dvn., Peenya in admitting the medical reimbursement claims of the employees of Thippagondanahally.

By order,

(*B. L. Mahalingappa*)
Secretary, KEB.

To

The Chief Engineer., (Genl.), KEB., B'lore.

All the Chief Engineers, Elec., KEB.

Bangalore.

The Accountant General, Karnataka, Bangalore.

All the Controllers, KEB., Bangalore.

The Superintending Engineer, Elect., KEB., Bangalore Circle
Bangalore.

The Executive Engineer, Elect., KEB., SRS Peenya, Bangalore

Category 'D' : The transfers should be to a place as near the original place of posting to the extent possible.

IV. *Exceptions* : Notwithstanding what is stated above, exception can be made with the specific approval of the higher authority next to the competent authority if it is in Board interest. Such cases be like the following, for example :

Those employees having one year or less for superannuation.

Transfer necessiated by promotion.

On the basis of complaints which appear prima facie genuine.

On return from leave exceeding 3 months.

On return from deputation to foreign service.

Due to change in headquarters of the concerned establishment.

Those who have been trained in a specific field or specialised in a particular skill.

On very special compassionate grounds, acceptable to the higher authority.

Any other reason which the Board feels is in the interest of the Board Service,

(B. L. Mahalingappa)
Secretary.

KARNATAKA ELECTRICITY BOARD

No. KEB/B4/7713/82-83.

Board Secretariat,
Cavery Bhavan,
Bangalore - 9.

Dated : 15th June, 1983

CIRCULAR

It has come to the notice of the Board that two employees have been counted against one post in contravention of Regulation 16 of BES Rs. and subsequently approval of the higher authorities sought to regularise the same.

It is to be stated here that Rules to the extent required may be relaxed by approval of the Board. But that can be done only when application of a particular Rule causes undue hardship and only for purposes of deciding a case in a just and equitable manner. Such relaxation of Rules cannot be considered when action has been taken ignoring the basic Rules or in contravention of the prevailing rules.

It is therefore brought to the notice of all the concerned that they have to scrupulously follow the Rules and Regulations framed by the Board, without giving room for unnecessary complications. Further the competent authorities may please verify the fact of there being a clear vacancy available before accepting duty reports of employees transferred.

(B. L. Mahalingappa),
Secretary.

PROCEEDINGS OF THE GOVERNMENT OF
KARNATAKA

Sub : Leave Travel Concession for journey to any place in India - Extension of the existing block period upto 30th September 1983.

Read :

1. GO No. FD 6 SRP 78 dated 28th December 1978.
2. GO No. FD 81 SRP 79 dated 31st July 1980.
3. GO No. FD 60 SRP 80 dated 9th October 1980 addressed to the Inspector General of Police and copy endorsed to all Heads of Departments.
4. GO No. FD 54 SRP 81 dated 17th September 1981.
5. GO No. FD 58 SRP 81 dated 30th September 1981.
6. GO No. FD 76 SRP 81 dated 16th December 1981.
7. GO No. FD 81 SRP 82 dated 18th August 1982.
8. GO No. FD 82 SRP 82 dated 23rd August 1982.
9. GO No. FD 99 SRP 82 dated 15th December 1982.

ORDER No. FD 99 SRP 82,

Bangalore, Dated the 27th June 1983.

By Government Order No. FD 6 SRP 78 dated 28th December 1976. the scheme of travel concession

for journey to any place in India once in four calendar years was introduced from the year 1978. Pending review of this scheme, the block of four calendar years of 1978-1981 was first extended for a period of one year from 1st January 1982 to 31st December 1982. By Government Order No. FD 99 SRP 82 dated 15th December 1982, this block period was further extended for a period of six months from 1st January 1983 to 30th June 1983.

2. Government are now pleased to extend the block period i.e. 1.1.1978 to 30.6.1983 for a further period of three months from 1st July 1983 to 30th September 1983, subject to the following conditions :

- 1) A Government servant who has not availed the benefit or travel concession for journey to any place in India so far or who is not in a position to avail it on or before 30th June 1983 either for himself or for the members of his family may avail the same on or before 30th Sept, 1983, subject to fulfilment of the existing conditions;
- 2) A Government servant who has availed travel concession to Home Town' during the two-years block period of 1980-81 will not, however, be eligible to avail the concession for journey to any place in India during the extended period.
- 3) A Government servant who has availed the travel concession for journey to any place in

India during the block period of 1978-1981 or its extension upto 30th June 1983 will not be eligible for another leave travel concession after 30th June 1983, and

- 4) The facility of travel concession for journey to any place in India will not be admissible to any Government servant after 30th Sept 1983, till the scheme is reviewed.

3. According to the existing orders, a Government servant and the members of his family can undertake journey under the leave travel concession scheme by Railway/state Road Transport Corporation Bus/conducted tour organised by a tourist agency recognised by the Director General of Tourism, Government of India Tours conducted by the Karnataka Government Secretarial Club. A list of Tourist Agencies recognised by the Director General of Tourism, Govt. of India and based in Karnataka was published in Official Memorandum No. FD 82 SRP 82 dated 23rd August 1982.

4. The existing rules and orders relating to leave travel concession for journey to any in India shall stand modified to the extent mentioned in para 2 above.

By Order and in the name of the
Governor of Karnataka,

Sd/- N.T. Manuvar

Under Secretary to Government
Finance Department (Expt-II)

KARNATAKA ELECTRICITY BOARD

Board Secretariat,
'Cauvery Bhavan'
Bangalore-560009.

No.KEB/B5/6599/83-84

Dated 6th August 1983

The Chief Engineer, Electricity (General),
Karnataka Electricity Board,
BANGALORE.

Sir,

Sub : L T. C. for journey to any place in
India availment by Sri Aswathanarayana,
Junior Engineer (Elect.), SRS., Peenya.

With reference to your letter No.A/AOG/AAO/
6550 dated 27.6.83 I am directed to state that M/s.
Richfield Agencies has no branch office at Bangalore
which is recognised by the Director General of Touri-
sm, Government of India.

Hence admitting the LTC T.A. Claims in respect
of journeys performed in M/s. Richfield Agency (pvt.)
Limited, Bangalore by Sri Aswathanarayana, Junior
Engineer (Elect.) SRS., Peenya, cannot be considered,
since the said Agency is not one of the recognised
travelling agents in Bangalore.

Yours faithfully,
Secretary

Sir,

Sub : Sanction of Special Casual Leave.

I am directed to refer to the correspondence resting with this office letter of even No. dated 9-6-83, and to clarify that a rabid animal is an animal infected by rabies or hydrophobia. A snake, though poisonous, is not considered as a rabid animal. As such, the special casual leave as admissible to an employee bitten by a rabid animal is in admissible to one bitten by a poisonous snake or creature.

Yours faithfully,

(B. L. Mahalingappa)

KARNATAKA ELECTRICITY BOARD

Read :

1. B.O.No. WL1C/34/75-76 dated 15-11-75
2. Board Order No. KFB/B4/6440/76-77 dated 20-9-77 according approval for the following:
 - a) To Supply the books and other literatures with upto date amendments relating to S A S Examination conducted by the Board to the candidates appearing for the above examination.
 - b) To conduct the S.A.S Examination twice a year instead of once in a year.
 - c) To re-employ ten Accounts Officers/Assistant Accounts Officers for a period not exceeding one year against the existing vacancies of Assistant Accounts Officers and to regulate their pay in accordance with the Rule 235(a) (i) of BESRS.
3. U.O. Note dated 31-5-83 of the Financial Adviser & CAO informing that the S A S Examination was conducted once in a year prior to 1977. Since there were lot of vacancies in the cadre of Assistants Officers and the employees passing the said examination was very insignificant, it was ordered to conduct the S.A.S. examination twice in a year. Now the position is quite the reverse with a significant number of candidates being available for promotion and there are only limited vacancies, resulting in a situation.

wherein the seniority list of qualified candidates has to be revised as and when the results are announced, and therefore proposing to revert back to the old system of conducting the S.A.S. Examination once in a year.

4. Board Resolution No. 16245 dated 15-7-83 in the matter.

Order No. KEB/B4/6440/76-77

Bangalore, Dated : 20-8-83

In the circumstances, explained by the Financial Adviser & C.A.O., approval is hereby accorded to revert back to the old system of conducting the S.A.S Examination once in a year.

By Order,

(B. L. MAHALINGAPPA)

Secretary.

GOVERNMENT OF KARNATAKA

Karnataka Government Secretariat,

Vidhana Soudha,

No. DPAR 2 POL 83 B'lore, dated 21st April 1983.

CIRCULAR

Sub: Introduction of Kannada as State Official Language-Issue of Government Orders/ Notifications/Letters etc., in Kannada/ English versions of.

Ref: 1 Notification No. DPAR 29 POL 79 dated 4th March, 1980.

2. Circular No. DPAR 29 POL 79, dated 30th July, 1980.

3. D.O. letter No. GH. 1/Genl/286 dated 18th, December 1982 from the Accountant General, Karnataka, Bangalore, to the Chief Secretary.

In the Notification referred to at 1 above, directions were issued, inter alia, to use English in the communications addressed to the Officers of the Central Government, Offices of any other State Government, and the Accountant General, Karnataka.

2. In the Circular referred to at 2 above, instructions were issued, to all the Sanctioning Authorities in the State Government, including Departments of the

Secretariat, to invariably send copies of English version of the orders/communications issued in Kannada to the Accountant General, Central Government Offices and any other State Government Offices.

3. The Accountant General has once again brought to the notice of Government that his office has been receiving communications like those relating to sanction of leave orders of transfer, sanction of charge allowance, etc., sent from State Government Offices in Kannada instead of in English, and this causes delay in disposal of the cases, as Officers/officials of Accountant General's office are not conversant with Kannada language. It is likely that further processing of these communications in the concerned audit sections may also get delayed resulting in hardship to the Officers concerned.

4. After careful consideration of all aspects of the matter, the State Government Departments, including the Departments of the Secretariat, are hereby requested to ensure that communication addressed to the Accountant General, the Central Government Offices and State Government Offices of other States are in English. In the case of Orders/Notifications issued in Kannada, English Versions of such communications may invariably be attached with the the original Kannada, whenever these communications are sent to the Accountant General.

5. The above directions shall be followed scrupulously by all the Departments of State Governmen.

as well as the Departments of Karnataka Government Secretariat and the local bodies, autonomous bodies, Corporations, Boards, Administrations Institutions which are formed by the State Government and those receiving grants, financial aids from the State Government, Public Undertakings and Universities in the State.

6. All the Secretaries to Government are requested to issue suitable instructions to the Heads of Departments, Universities, Autonomous Bodies, Boards, Corporations, Local Bodies, State Government Undertakings, which come under their administrative Control.

R. A. Naik,
Chief Secretary.

2. GO No. FD 81 SRP 79 dated 31st July 1980
3. GO No. FD 60 SRP 80 dated 9th October 1980. addressed to the Inspector-General of Police and Copy endorsed to all Heads of Departments
4. OM No. FD 54 SRP 81 dated 17th Sept. 81
5. GO No. FD 58 SRP 81 dated 30th Sept. 1981
6. GO No. FD 76 SRP 81 dated 16th Dec. 1981
7. GO No. FD 81 SRP 82 dated 18th August 82
8. OM No. FD 82 SRP 82 dated 23rd August 82
9. GO No. FD 99 SRP 82 dated 15th Dec. 1982
10. GO No. FD 99 SRP 82 dated 27th June 1983
11. OM No. FD 52 SRP 83 dated 17th Sept. 1983.

Order No. FD 99 SRP 82,

Bangalore, Dated : 30th September, 1983.

By Government Order No. FD 6 SRP 78 dated 28th December 1978, the scheme of travel concession for journey to any place in India once in four calendar years was introduced from the year 1978. Pending review of this scheme, the block of four calendar years of 1978-1981 was extended from time to time. The last extension was given upto 30-9-1983.

2 Government are now pleased to extend the block period i.e , 1st January 1978 to 30th September 1983 for a further period of three months from 1st October 1983 to 31st December 1983 subject to the following conditions ;

- 1) A Government servant who has not availed the benefit of travel concession for journey to any place in India so far or who is not in a position to avail it on or before 30th September 1983 either for himself or for the members of his family may avail the same on or before 31st December 1983, subject to fulfilment of the existing conditions ;
- 2) A Government servant who has availed travel concession to 'Home Town' during two year block period of 1980-81 will not, however, be eligible to avail the concession for journey to any place in India during the extended period ;
- 3) A Government servant who has availed the travel concession for journey to any place in India during the block period of 1978-1981 or its extension upto 30th September 1983 will not be eligible for another leave travel concession after 30th September 1983 ; and
- 4) The facility of travel concession for journey to any place in India will not be admissible to any Government servant after 31st Dec. 1983, till the scheme is reviewed.

3. According to the existing orders, a Government servant and the members of his family can undertake journey under the leave travel concession scheme by Railway/State Road Transport Corporation Bus/Conducted tour organised by a tourist agency recognised by the Director General of Tourism Government of India/tours conducted by the Karnataka State Tourism Development Corporation and the Government Secretariat Club. A list of tourist Karnataka agencies recognised by the Director General of Tourism, Government of India and based in Karnataka was published in Official Memorandum No. FD 82 SRP 82 dated 23rd August 1982 and OM No. FD 52 SRP 83 dated 17th September 1983.

4. The existing rules and orders relating to leave travel concession for journey to any place in India shall stand modified to the extent mentioned in para 2 above.

By Order and in the name of the
Governor of Karnatak,

Sd/-

*Under Secretary to Government,

No.KEB/SAIII/B+1/933/83-84. Dated: 9th Jan, 1984.

CIRCULAR

Sub : Disposal of audited revenue receipt books.

Ref : 1) Letter No. Spl/Sn/5406/Cys/86/73-74 dated 5th December 1973 of the FA & CAO., KEB. Bangalore.

2) U. O. Note No. CA/181 dated 30th July 1983 of the Controller, (Audit), KEB, Bangalore.

3) U. O. Note CA/243 dated 9th September 1983 of the Controller, (Audit) KEB, Bangalore.

4) Concurrence of the FA & CAO dated 14th September 1983 in the matter.

1. The rules relating to destruction of time barred accounts records are laid down in Article 399 and 400 of KFC, which is being followed by the Board also for the purpose.

2. It has been reported by the Controller (Audit) that in almost all the offices he visited, he has noticed large number of audited revenue receipt books dating back to several years. No useful purpose is served by

keeping such time barred records which only occupy a lot of useful space hindering proper maintenance of the current records.

3. The maximum life of used up receipt books is six years or one year after audit of accounts of the period whichever is earlier and it is not necessary to preserve them for indefinite length of time as per FA & CAO circular cited under reference (1).

4. The receipt books should be mutilated after audit and sold as waste paper, if they are not required.

5. Before the receipt books are mutilated, a list has to be prepared mentioning the Sl. No. No. of the book and also from and to dates of use and concurrence of the concerned Account Officer (IA) may be obtained.

6. The competent authority to approve the sale would be the Executive Engineer of the Division.

7. However, these instructions do not apply to cases where disciplinary proceedings have been instituted or are likely to be instituted against any officer/officials where the receipt books have to be carefully preserved under safe custody till the proceedings are finally decided irrespective of the length of time.

KARNATAKA ELECTRICITY BOARD

Board Secretariat
Cauvery Bhavan
Bangalore - 560 009

No. KEB/B5/6361/78-79

Dated 16th March 1984.

CIRCULAR

Sub : Leave Travel Concession to any place in
India

Sir,

It has come to the notice of the Board that employees in several offices have drawn advances to perform the journey on L T C. But they have not performed the journeys for some reasons or the other such as illness of accompanying members of the family, sudden death of a close relative etc., etc. and employees are allowed to refund the advance drawn by them in instalments.

Further, it is observed that some of the Drawing Officers are exercising powers by giving opportunities to the employees to repay the advance on instalment basis, for which there is no provision. The entire advance drawn by the employee should be refunded in lumpsum immediately, if they have been prevented to perform the journey for any reason what-so-ever.

In this connection, reference is invited to B.O. No B5/6361/78-79 dated 5-6-79 and all the Drawing

Officers are hereby directed to strictly adhere to the provisions laid down in this order. The drawal of L T C. advance and returning the same without performing the journey on instalments is an act of indiscipline, and not insisting the recovery in lumpsum shows the administrative weakness on the part of the drawing officers concerned.

Therefore, all the Drawing Officers are hereby directed to recover the unadjusted amount towards L T C. Advance by with-holding the salary of the concerned officials immediately.

Where the amount exceeds the net take home pay the salary of the succeeding months should also be with held. This practice of misusing the Board's funds for some other purpose should not be allowed to happen in future, otherwise the Drawing Officers will be held personally responsible for any lapses in this regard and any failure will invite disciplinary action.

Yours faithfully,
Secretary.

CIRCULAR

Some of the Divisional Officers have requested the Board whether the Mergeable Dearness Allowance approved vide Board Order of even number dated 4-3-83, is to be taken into consideration for purpose of calculation of construction allowance/S.L.A./Project Allowance/Shift allowance etc., etc.,

In this connection, it is to be stated that in Board Order of even Number dated 4-3-83, it is specifically stated that the mergeable D.A. shall be considered as part of pay only for the purpose of calculation of D.A. HRA, CCA, pensionary benefits with effect from 1-4-82, and for sanction of advance with effect from 1-4-1983, when the Board Order is clear as to its applicability, there is no scope for any doubts.

However, it is clarified that the mergeable D. A. is to be taken in account as pay only for specific purposes for which the Board Order contemplates its inclusion and for no other purposes.

Further, it is hereby clarified that the H.R.A. of Rs. 15 p.m. as indicated in Para (iii) of Board Order No. KEB/B16/6134/82-83 dated 4-3-83 shall apply only to workmen as per the existing orders.

No. KEB/B16/4739/80-81

Dated 30th Nov., 1983

CIRCULAR

Sub : Clarification regarding recruitment procedure-Junior Engineers/Meter Readers.

Ref : Notification No. KEB B16/4739/80-81 dated 2-7-1983.

Some of the Officers of the Board have requested to clarify as to the number of candidates to be called for interview in case the number eligible applications are less than 10 times the number of posts available in each reservation category. Further, it has been interpreted in some places that if the number of eligible applications received are less than 10 times the number of posts available in any category, then all the candidates in all the categories have to be called for interview. This is not correct.

Therefore, it is hereby clarified that in case the number of candidates applied and eligible in any particular reservation category is less than 10 times the number of posts available in that category, then, all

the candidates in that particular reservation category only would be called for interview.

No. KEB/CLO/SA-IV/7615/83-84 Board Secretariat
 "Cauvery Bhavan"
 District Office Road
 Bangalore-570009
 Dated 23-1-84

To,

The Executive Engineer (Elect)
 M.R.S., KEB, Shimoga.

Sri,

Sub: Recovery of ESI dues as per Revenue Recovery Act, 1890 claimed by the Regional Director, ESI Bangalore for MRS Division, Shimoga.

With reference to your letter No. MRS/AAO/49 ESI/4842-44, dated 18th January 1984, addressed to the Chief Engineer, Electrical (General) and copy endorsed to this office, I am directed to invite your reference to this office letter No. KEB/CLO/BPO/211 78-79, dated 25th May 1978 (copy enclosed for reference) wherein clear instructions had been issued to address the ESI Authorities to prefer their claims toward ESI contributions in respect of employees working in Factory Establishments relating to the exempted period from 1-12-72 to 31-5-79 in view of the exemption granted by Government from the application of ESI Act to all the establishments of KEB excepting the Factory Establishments. In the

light of these clear instructions, the claims of ESI Authorities in respect of employees of MRS, Shimoga, being a factory establishments, should have been paid. The board however was not liable to pay contribution in respect, of employees working in establishments other than Factory Establishment for the exempted period from 1-12-79 to 31-5-79

It is seen from your letter dated 18th January 84 that the claim of ESI Corporation for the period from 23rd February 1975 to 31st May 1976 relates to the factory establishment MRS Shimoga and also the other establishments which are exempted.

In view of the above, it will be necessary to assess the ESI Contributions payable in respect of employees working in the factory Establishment viz. MRS, Shimoga and arrange payment after due verification.

I, therefore, request you to seek a personal hearing with the Regional Director ESI Corporation, Bangalore and meet him personally and explain the correct facts along with the relevant records and have the claim revised and make the payment which is legitimately due to ESI Corporation for the period mentioned in your letter. The above facts may also be brought to the notice of the Deputy Commissioner, Shimoga and request him to release the Boards vehicle

pending payment of the correct arrears due to ESI Corporation.

Report action taken.

Yours faithfully,
Secretary,
KEP, Bangalore.

Sub : Sanction of gratuity to ex-licencee employees of Sirsi.

With reference to your letter No. DCA/AAO/EA2/12769-92/24.1.1984 regarding sanction of gratuity to

the retired ex-licencee employees of Sirsi. I am directed to clarify that payment of gratuity has to be extended in case of ex-licence employees, Sirsi, who retired from service as per the payment of Gratuity Act, 1972. The liability of the gratuity for the service rendered by the ex-licence employees, Sirsi till 18-12-74 (vesting date) has to be borne by the ex-licences' employees for the period of service rendered by such employees under Board after 18-12-1974, the liability of the payment of gratuity could be accepted by the Board. I therefore request to take necessary action to deposit the account of gratuity opted by the Board for the period of service rendered by the ex-licence employees. Sirsi from 18-12-1974 till the date of their retirement and deposit the amount so accepted before the controlling authority as defined under Sec. 3 of the payment Gratuity Act, 1972, requesting him to determine the amount of gratuity payable to the employees of the ex-licence for the service rendered by them under the ex-licence and recover and pay the same to the employees.

"Further needful action may kindly be taken at your end.

Dated 31-12-83

To :

All the Superintending Engineers (Elecl)
All the Executive Engineers, (Elecl)

Dear Sirs,

Sub : Maintaining of files pertaining to Court cases, norms regarding.

It has brought to the notice of the Board that the files/brief etc, pertaining to Court cases are not properly maintained with all the documents which are filed before the Courts. Hence, I am directed to issue the following guidelines for proper maintainance of files pertaining to Court cases which shall be followed in every office of the Board. where the court cases are being dealt with :

- (1) Individual files should be maintained for each case :
- (2) All the papers in the files should be serially numbered ;
- (3) No original references/documents etc. shall be furnished to the advocates In case if the original is required by the Advocate, then the copies of such documents shall be prepared and retained in the file. Each and every copies of documents filed to the court or supplied to the Advocate should invariably retained in the file ;
- (4) The particulars of the dates of entrustment of cases, Counter/Written statements filed, hearings held together with the name of the Advocate etc, shall be recorded in the file regularly till its final disposal.

Besides, every division office shall maintain a consolidated register recording all the cases in the division (comprising of all the sub divisions in the

division) in the proforma prescribed which is herewith enclosed.

The statement in the same proforma should be sent by all the divisions to the concerned O&M Circles every quarterly not later than 10th of the following month such as 10th of April, July, October and January for the period quarter ending of March, June, September and December respectively. In term the Circle Officer will consolidate all the statements under respective circles who shall in term send the same to this office before 20th of the same month. The circle office shall maintain the consolidated similar register of all the O & M Divisions under each circle

Further the Inspection Officers during their official visits to Subordinate offices are requested to examine these registers and also should review the particulars during the divisional and circle level meetings particularly on "Revenue cases" where the receipt of huge amount are held up due to cases pending in various courts Any failure to maintain the registers as instructed above observed will be, viewed seriously. The statement for the quarter ending December 1983 should reach this office by 20th January 1984.

The receipt of this letter may be acknowledged.

Sir,

Sub : Pre-audit of original quotations and tenders and purchase orders by the Internal Audit.

Board have, in order No KEB/WLIC/8/74-75 dated 27-3-1975 approved 100% pre-audit of tenders and purchase orders by the staff of Internal Audit (vide item 52 of checks prescribed to internal Audit.) This item of work has not been done uniformly in all the Circles and Divisions for want of qualified staff in many cases. Now that almost all the posts of Asst. Accounts Officer have been filled up, Internal Audit should therefore take up the pre-audit work of purchase orders placed by the Superintending Engineers, Elecl., and Executive Engineers. Elecl., KEB.,

It is also observed that number of irregularities have been noticed in purchase orders placed by some of the field officers which result in unnecessary expenditure to the Board. This can be mitigated if the pre-audit of tenders and purchase orders is done as in the case of orders placed by the Chief Engineer, Elecy (Genl.), KEB.,

It is therefore directed that the concerned officers make available the connected records to the Internal

Audit/Concurrent Audit, as the case may be, for scrutiny before placing the orders and comply with the observations made by the Audit before placing such orders. No orders can be placed without the Audit certificate from the Internal Audit/Concurrent Audit as the case may be.

Please acknowledge the receipt.

Yours faithfully,
(M. Muniram)

Additional Secretary.

Sir,

Sub : Seeking validity extension from firms after the laps of the initial validity period of 120 days.

Under the circumstances stated in your letter No. P/O & M/AEEP3/7622 dated 31-5-1983, I am directed to communicate approval to seek validity extension from only the first 10 Firms whose offers are technically acceptable in the ascending order statement of prices excluding these Firms who have not paid EMD but including all recommended Firms and ancillary Units of KEB. who are such lower down in the ascending order statement of prices. However it shall be ensured that the recommendations are sent well within the original validity period.

Yours Faithfully,
(M. Muniram)
Additional Secretary, KEB.

To

The Chief Engineer, Electricity, (MW), KEB, Bangalore.

KARNATAKA ELECTRICITY BOARD

No. KEB/B8/5663/83-84

Board Secretary,
Cauvery Bhavan
Bangalore-9.
Dated 20-8-83

CIRCULAR

Sub : Pre-audit of original quotations and tenders and purchase orders by the Internal Audit.

Ref : 1 B. O. No. KEB/WLIC/8/74-75 dated 27th March 1975.

2 Board Letter of even No. dated 7th May 1983.

Reference is invited to Board Order No. KEB WLIC/8/74-75 dated 27th March 1975, approving 100 per cent preaudit of purchase orders by the staff of Internal Audit and the instructions for strict implementation in Board Letter of even No. dated 7th May 1983.

In modification of the above instructions the following further instructions are issued for strict compliance.

1. There is no necessity of check of local orders by DCA/AO/AAO of the respective offices

here after. The only check will be by the Internal Audit.

2. The Accounts Officers, Internal Audit or the Assistant Accounts Officer Concurrent Audit, as the case may be, are directed to scrutinise the tenders, quotations, etc. received along with recommendation, on priority basis furnish the budget certificates and clear the files promptly on the same day and within a day or two where some discussions or clarifications are required.
3. The Internal Audit branch should not withhold furnishing of the certificate on tender papers/local orders except for the reasons that :
 - a) The figures in the comparative statement do not tally with those furnished in the quotations.
 - b) Orders are proposed to be placed on a tender other than the lowest without placing on record the reasons therefore.
 - c) Orders are split up to purchase for higher value in excess of the powers delegated to them.
 - d) Budget grants are not available.
4. In the above cited cases, the file will be returned by the internal audit staff. In case

of (a & b) the requirements should be complied with.

In case of (c) the quantum of purchase should be limited to the powers of purchase of the officer.

In case of (d) approval from Chief Engineer, (General) should be obtained before placing orders.

5. Internal Audit should generally accept the technical details and the necessity for the purchases as given by the Field Officers. Any glaring instance of impropriety should be brought to the notice of next higher authority viz to Superintending Engineer, in case of Executive Engineers and to Chief Engineer, Electricity, in case of Superintending Engineers and Controller (Audit).
6. Audit observations on other points, if any, should be replied to, as far as possible, immediately and the tender papers/local orders for cleared/certified by Internal Audit. In cases where the observations cannot be replied to immediately because of extreme urgency, the local orders may be issued and replies sent to Internal Audit within a week. Procedural omissions like date is not noted, rubber stamp is not affixed and similar observations of a minor nature, may be sorted out by mutual discussions and only

serious irregularities and violations of rules may be pointed out and replies obtained.

7. In cases where replies are not received even after the lapse of seven days and the irregularities continue to occur, the same may be reported to the Controller (Audit) and to the next higher authority to enable them to take further action as may be called for.
8. The instructions for pre-check of purchases by Internal Audit will not apply to (i) 220 kv. Stations at Peenya (ii) O & M Division, Mercara (iii) SEE, Jog (iv) Executive Engineer, Shiva/Shimsha as Internal Audit is not organised in the Unit itself. Regarding these separate orders will follow and till then the existing procedure of check by Accounts Officers/Assistant Accounts Officers, of the respective office will continue.

KARNATAKA ELECTRICITY BOARD

No. KEB/B8 1880/78-79

Board Secretariat,
Cauvery Bhavan,
District Office Road,
Bangalore-9
Dated 9-9-83

The Chief Engineer, Electricity (Gl.),
Karnataka Electricity Board, Bangalore.

The Chief Engineer, Electricity, (M.W.),
K.E.B., Bangalore

Sirs,

Sub : Purchase proposals - lapses in the recommendation being sent to Board.

Ref : 1) Board Order of even No. dt. 17-11-78
fixing the time schedules for processing
of tenders in CEE's Office.

2) Board letter of even number dt. 16.6.81

3) Board letter of even No. dt. 23-5-1983

I am directed to invite reference to the Board's letter cited above and to state that there is no tangible improvement in sending expeditiously the recommendations to Board for purchase of various materials containing the various essentially required informations and within the time stipulated with particular reference to validity period. It may be noted that the Committee of Legislature on Public Undertakings has strongly

expressed against this event recently and asked for the concrete steps taken to prevent such lapses at least in future now.

In order to see that the proposals are decided expeditiously, the details already desired are reiterated for necessary guidance and strict compliance :

- 1) There should be a clear time of 20 days of validity of the offers against tenders sent to Board for orders ;
- 2) the comparison of offers should be on the final computed prices and the percentage of loadings made should be clearly indicated (for example percentage ED, ST, etc.). The orders finally proposed should also be based on the lowest computed prices.

However, while placing orders, the computed prices may be worked back and final price payable arrived at, which shall be exclusive of F & I (wherever possible), ED, ST etc., and that price shall be indicated in the local order.

- 3) In respect of O & M materials, the requirement of materials should invariably be assessed taking into consideration the latest stock position, quantity in the pipe line etc., and full justification of the quantity proposed for purchase against the enquiry should be furnished.
- 4) In respect of Major Works materials :

- (a) If the materials required are for a new station, the information as to whether land has been acquired, position regarding other associated equipments, expected date of starting the work, period required for commissioning, action taken for construction of the concerned transmission line etc. should be furnished (vice versa in respect of the materials required for transmission lines).
- (b) If the materials required are for extension improvement to the existing station, the reasons and justification for the same should be furnished convincingly.
- (c) The proposals should be comprehensive and while concluding, all the points on which Board's approval is sought for should be clearly spelt out without any unstated presumptions.
- (d) The proposals should invariably come from the respective Chief Engineers and phrases such as "as reported by Superintending Engineer, (Elect), (Technical and Planning) Superintending Engineer (Elect), (Material Planning), etc" should be avoided. The letters addressed to Board should invariably be signed by the respective Chief Engineers and only in cases of urgency, if the same are to be signed by the Superin-

tending Engineers, (Elect) or Executive Engineers (Elect) then they should carry a seal "Draft approved by CEE".

Yours faithfully,
T. N. Mahabalaraj,
Additional Secretary

Sir,

Sub : Furnishing of full particulars/additional information in respect of purchase proposals sent to Board.

Ref : Board letter of even No. dated 9-9-83.

Further to Board letter cited above, I am directed to invite your reference to the discussions held recently

in the 2nd Purchase Committee meeting and request you to furnish the following information in all the purchase proposals sent to Board :—

- 1) All the columns in Form 'A' should be filled up. It is observed that the form 'A' is not being filled up uniformly for example in respect of Enq No PC/KEB/1465/83-84. 11 columns have been filled up where as in respect of Enq No. PC/KEB/1459/83-84, 11 columns have been filled up.

In addition to the information being furnished in form 'A', the following information is also to be covered

“Details of the existing Orders, names of the firms, quantity ordered/supplied and expected during the current year”.

- 2) In the recommendations, a para may be added giving the basis on which the quantity proposed has been assessed.

Further, in the recommendations, it may be clearly indicated whether the quoted price is on For destination basis or whether it is on For Central Stores Division etc.

Yours faithfully,
(T N. Mahabalaraj)

Sri,

Sub : Two part tender system for Major
Tenders.

Ref : Letter No. PWD/428/VIP/83 dated
23rd August 1983 from the Public
Works & Elec. Dept., Vidhana
Soudha, Bangalore, addressed to
the Board.

With reference to the above, I am directed to communicate approval for introduction of 2 part tender system in respect of major tenders, for equipments like power transformers of 33 KV and above, Circuit-Breakers, Control Panels, PLCC equipments, Reactors capacitor banks, Towers, Energy Meters, Disc. Insulators, Switchgears, costing more than Rs. 10 lakhs.

The following procedure in respect of the above may be adopted :

- i) Tenders be asked in two parts, namely, the first part of the tender should give technical

offer, and the second part price offer ; and both these parts should be in separate sealed covers.

- ii) The technical offers be opened first, and detailed technical discussion be held with the tenderers so that all the technical parameters may be brought to a denominator and all areas of ambiguity be eliminated ;
- iii) Based on the above common denominator of the technical parameters, final price bids may be obtained from the tenderers in sealed covers ;
- iv) Both the original price bids and the final price bids be opened together. Out of them, the lowest offers may be considered. If this offer is much higher than the estimated cost, then negotiations may be held with only the lowest tenderer so as to bring down the cost to whatever possible.

Yours faithfully,

Sd/-

CIRCULAR

Sub : Placing orders for procurement of
 Charcoal

It is brought to the notice of the Board that Charcoal and similar other items are being purchased by several officers of the KEB by placing purchase orders, the prices of which vary considerably from place to place and from one office to another in the same station.

In some cases, the ordered prices are very much on the high side and are not comparable with the prices prevailing locally. It is also seen that in several places, the rate paid by one officer is abnormally high compared to the prices ordered by another officer in the same place. This is attracting severe criticism by audit.

Board desires that purchasing officers are to be judicious while placing orders and economise as far as possible keeping in view the Board's interests.

Dated : 13-1-1984

CIRCULAR

A proposal has been received from the Chief Engineer, Electricity, Bangalore Zone for approval of the revised estimate which is in excess of about 106% over the sanctioned estimated amount.

On verification it was revealed that such abnormal excess is due to not making provision for some of

the essential works such as, electrification, water supply and sanitary works, in the original estimate. Instances have also been noticed wherein the provision for water supply arrangements in a sub-station and construction of a compound etc. are omitted in the original estimates.

This reveals that estimates are not being prepared properly duly making necessary provision for all the items of works and such estimates have also not been properly verified at the various levels.

I am directed to instruct that necessary care should be exercised at the time of preparation scrutiny and sanction of the estimate to ensure that all the basic requirements are included in the estimate.

Sub : Anticipatory actions/decisions in accepting of tenders-Reg.

Ratification proposals have been received from the Chief Engineer, Electricity, Hubli Zone, in having accepted the second higher tender for construction of quarters costing about Rs. 2 lakhs as the lowest tenderer refused to take up the work etc.

It is reported that the lowest tenderer has refused to execute the work at his quoted rates stating that the cost of materials have increased and that he would execute the work if the same is entrusted at latest SR Rates etc.

The offered rates/tenders are valid normally for a certain specified period and acceptance of tenders are to be communicated within the validity periods. In such cases, the tenderer cannot refuse to accept the tender and such refusal warrants penal action. In the instant case, it is not made clear whether the lowest tender was accepted within the validity period or not.

On refusal of the lowest tenderer, Chief Engineer Hubli Zone has accepted the second higher tender and has sought ratification, which is not proper and is objectionable.

Board has no other go than to ratify the anticipatory action taken.

The anticipatory action taken in accepting higher tenders was viewed by the Board with concern.

It is, therefore, hereby directed that no such anticipatory actions are taken in future.

Regarding reporting of failure of Transformers.

It has been brought to the notice of the Board that there is complacency in reporting of the failure of Distribution Transformers and in some cases the reports are received in the Office of the Chief Engineer, Electricity, (General) after several months and it is also possible that some of the failures are not reported at all. Even when reports are received full information is furnished in the reports.

I am directed to stress here that failure of a transformer would result in a loss anywhere from Rs. 10,000 to Rs. 50,000 depending upon the capacity of the Transformer. Hence it is hereby strictly instructed that the failure of a Distribution Transformer should be reported within 24 hours over Telephone or by a

Telegram duly confirming the same within 24 hours to the Zonal Chief Engineers and a detailed report in the prescribed form sent within 15 days.

The Zonal Chief Engineers shall send monthly report to the Board Secretariat. A copy of this report along with copies of failure report forms are to be sent to the Chief Engineer, Electricity, (General).

The Chief Engineer, Electricity, (General) will analyse the failure of Transformers over the year and submit a consolidated report to the Board Secretariat.

In other words, failure of a Transformer should be dealt with the same seriousness as that of a fatal accident.

To

All the Executive Engineers,
(Elect), Karnataka Electricity
Board.

Dear Sirs,

I am directed to inform you that due to heavy power cuts and other reasons the revenues of the Board for the year 1983-84 have not been realised to the extent anticipated resulting in a great paucity of funds. The position will continue to be serious even during the year 1984-85. It is therefore necessary for one and all to take steps to economise/reduce the expenditure. One of the areas where economy could be achieved with minimum effort is transportation. We have a large fleet of vehicles and incurring considerable expenditure on oil & fuel and repairs of vehicles. It is hereby directed that for the month of April 1984 and onwards the expenditure on fuel and oil on vehicles should not exceed 90 percent of the expenditure incurred on these items during the months of February/March, 1984. A monthly statement of expenditure incurred on fuel and oil may be sent to the office of the

Chief Engineer, Elec'y. (Genl.) within 15 days of the close of the month. All Officers should closely monitor the mileage so that instructions given above are complied with. Any failure to comply with this directive will be viewed seriously.

This does not mean that the works should suffer but economies should be judiciously effected. If for any reason the instruction given cannot be complied with, the officer concerned should intimate the reasons along with the statement of fuel consumption.

NOTIFICATION

In exercise of the powers conferred under Section 49 & 79 (j) of Electricity (Supply) Act 1948 (Act No. LIV of 1948), the Karnataka Electricity Board hereby makes the following Regulation further to amend the Karnataka Electricity Board Electricity Supply Regulations.

1) *Title and Commencement :*

- a) This Regulations may be called the Electricity Supply (Amendment) Regulations 1983.
- b) It shall come into force with immediate effect.

2) The existing Clauses of Agreements shall be substituted as follows -

EXISTING

1. *Agreement for power Supply at High Tansion on temporary basis Clause 18.*

RESTRICTED POWER SUPPLY

The consumer agrees not to make use of power supply during the existing restricted hours between 18 00 and 22.00 hours (both inclusive) on all days. The consumer also agrees to abide by the variations in this period (of restricted power supply) made by the supplier from time to time.

2. *Agreement for permanent supply to Low Tension Industrial Power & Commercial heating with a connected load of above 0.25 HP- Clause 4(c).*

The consumer also agrees to make use of the power supply during night i. e. between 22.00 Hrs. & 6 00 Hrs. on all days. If the consumer commits breach of the above conditions the supplier will have the option of terminating the agreement and also levying penalty amounting to twice the rate applicable for the purpose for which the energy is actually used. The decision of the supplier as to the amount and period for which penalty is to be levied shall be final.

PROPOSED

Agreement for power Supply at High Tension on temporary basis- Clause 18.

RESTRICTED POWER SUPPLY

The consumer agrees not to make use of power supply during restricted hours whenever restrictions are imposed by the supplier specifying the hours of restrictions.

Agreement for permanent supply to Low Tension Industrial Power & Commercial heating with a connected load of above 0.25 HP Clause 4(c).

The consumer also agrees not to make use of power supply during restricted Hrs. Whenever restrictions are imposed by the supplier specifying the hours of restrictions. If the consumer commits breach of the above conditions the supplier will have the option of terminating the agreement and also levying penalty amounting to twice the rate applicable for the purpose for which the energy is actually used. The decision of the supplier as to the amount and period for which penalty is to be levied shall be final.

EXISTING

3. Agreement for temporary power supply to Low Tension Industrial Power and Commercial heating installations (except Cinema installations) with a connected load of above 0.25 HP Clause 12.

The consumer agrees not to make use of power supply during the existing restricted hours between 18.00 and 22.00 Hours (both inclusive) on all days. The consumer also agrees to abide by variations in this period (or restricted power supply) made by the supplier from time to time.

PROPOSED

Agreement for temporary power supply to Low Tension Industrial Power & Commercial heating Installations (except Cinema Installations) with a connected load of above 0.25 HP. Clause 12.

The consumer agrees not to make use of power supply during restricted hours whenever restrictions are imposed by the supplier specifying the hours of restrictions.

 Bangalore-560 009.
 Dated : 29.3.1983

NOTIFICATION

In exercise of the Powers conferred under Section 49 & 79 (j) of Electricity (Supply) Act, 1948 (Act No. LIV of 1948), the Karnataka Electricity Board hereby makes the following Regulation further to amend the Karnataka Electricity Board Electricity Supply Regulations.

1) *Title and Commencement :*

- a) This Regulation may be called the Electricity Supply (Amendment) Regulation 1983
- b) It is deemed to have come into force with effect from 22-7-1982 i.e. the date of Board Order

2) The existing Regulation 41(d) (ii) and 41(e) (1) of E.S.R. shall be substituted as follows :

EXISTING

1) *Last Para under Regulation 41(d) (ii) of E.S.R.*

Any consumer-aggrieved by the order of assessment made by the local Officer may appeal to the Superintending Engineer, within a fortnight of the communication of the order.

AMENDED

Last Para under Regulation 41(d) (ii) of E.S.R.

Any consumer aggrieved by the Order of assessment made by the Local Officer may appeal to the following Officers of the Board within a fortnight of the communication of the order.

Authority to whom to appeal

- | | |
|---|--|
| i) Disputes relating to back building charges involving upto and inclusive of Rupees one lakh | Superintending Engineer (Elects) of the respective Circle, |
| ii) Above Rupees one lakh but not exceeding Rupees five lakhs | Chief Engineer Electricity of the respective Zones. |
| iii) Above Rupees five lakhs | Board |

Further the Board will also function as Second appellate Authority in respect of orders passed by the Superintending Engineer, Elect. or the Zonal Chief Engineers.

2) *Regulation 41(e) (1) of ESR.* *Regulation 41(e) (1) of ESR.*

Where it is established to

 as it is entitled to under Law. Any consumer aggrieved against an order of assessment made by the Local Officer may first pay the amount demanded and then may appeal to the Superintending Engineer within a fortnight of communication of the order.

Where it is established to the satisfaction of the Local Officer that a consumer had dishonestly abstracted used or consumed or maliciously caused energy to be wasted or diverted, such Officer shall estimate the value of the electrical energy thus abstracted, used or consumed, wasted or diverted for a period of 6 months or for such period as may be deemed justified in the circumstances of any given case, at thrice the

normal rate of tariff applicable to the installation from which the energy is abstracted, used, consumed, wasted or diverted or at thrice the normal rate of tariff applicable to the purpose for which the energy is abstracted, used, consumed, wasted or diverted, or at thrice the normal rate of tariff applicable to the purpose for which the energy is abstracted used consorned, wasted or diverted, whichever is higher and demand and collect the same by including the same in the next bill or by a separate bill, Such amount shall be deemed to be arrears of electricity charges. Neither failure to launch a prosecution nor the acquittal of the consumer in any criminal case launched against him on this account on a ground other than that the prosecution case is false, shall bar the proceedings under this provision. The levy of this compensation shall be without prejudice to the Board's right to disconnect the service of the consumer and/or take such other action as it is entitled to under Law. Any consumer aggrieved by the order of assessment made by the Local Officer, may first pay the amount demanded and then may appeal to the following Officers of the Board within a fortnight of communication of the order.

Authority to whom to appeal

- | | |
|--|---|
| i) Disputes relating to back billing charges involving upto and inclusive of Rupees one Lakh | Superintending Engineer. El. of the respective Circles. |
| ii) Above Rupees one lakh but not exceeding Rupees five Lakhs | Chief Engineer, Electricity of the respective Zones |
| iii) Above Rupees five lakhs | BOARD |

Further the Board will also function as Second Appellate Authority in respect of Orders passed by the Superintending Engineers Electrical, or the Zonal Chief Engineers Electricity.

By Order,
M. Muniram,
Additional Secretary.

Dated 28-5-83

All the Executive Engineers, Electrical.
K.E.B., O & M Division

Sir,

Sub : Collection of additional 2 MMD based on average consumption in respect of power installations.

Ref : Circular No. T/COM. 2/CYS.279/82-83 dated 9.2.1983 of the Chief Engr. Elec (Genl), K.E.B., B'lore.

It has been brought to the notice of the Board that in many sections, additional 2 MMD is not being collected from the power installations as stipulated under regulation 55 of E.S.R. thereby giving room for loss to the Board in the event of these installations remaining under disconnection for non-payment of consumption charges. Action may, therefore, be taken immediately to review the position of deposits held and to demand and collect the additional security deposit against energy consumption equivalent to the difference between the 2 months average consumption and the deposit held

All the revenue accounting offices under your control may be suitably advised to take prompt action in this regard immediately.

Yours faithfully,
M. Muniram,
Addl. Secretary.

All the Asst. Executive Engineers, (El),
 O & M, KEB.

Sirs,

Sub : Collection of cost of meter and metering equipment from HT and LT. consumers
 D. 11.

With reference to the above, I am directed to state that extension of time for collection of security deposit

towards cost of meter and metering equipment from consumers was granted upto 31-3-1983 and no further extension of time has been granted by the Board. However directions were issued vide Board Letter No. KEB/B15/5366/82-83 dated 15-4-83 not to disconnect the installations where legal cases filed challenging the levy of D-11 are pending in different courts till Hon'ble Court takes a decision.

It has been brought to the notice of the Board that huge amount of deposits (D - 11) from both HT< consumers are pending unrealised and no action seems to have been taken by the field officers to persue for recovery of the same.

Hence, I am directed to request you to bestow your personal attention and take immediate appropriate action for realisation of security deposit (D-11) from the defaulting consumers, excepting those cases which are pending in courts.

Action taken may be reported to this office.

Your faithfully,
T. N. Mahabalaraj
Additional Secretary

Confidential

CIRCULAR

Sub : Installing energy meters to the feeders at Sub-Stations to cross check the consumption of H. T. Installations.

1: There is a general feeling that tampering of the metering equipments may be taking place in case of certain HT consumers. Since several of the HT consumers will be having a direct line from the sub-station at 11 KV, 33 KV or higher voltage, an energy meter may be installed at the sub-station and properly sealed by the MT or RT Division.

2 Some times several HT consumers will have been connected to one particular feeder usually called 'Industrial Feeders'. Here also the energy meters may be fixed and suitably sealed.

3 The Executive Engineers should verify personally each month whether the energy consumption of the HT consumers recorded at consumers' premises tallies with the sub-station meters within reasonable

limits and when major differences are detected, appropriate action has to be taken immediately and cases of such differences should be reported immediately to the Superintending Engineer and the Zonal Chief Engineer. Similar exercise can also be carried out even on feeders with mixed loads, but where the consumption by HT consumers is very predominant.

4. While carrying out this work, priority will have to be given to those feeders, which have large HT consumers.

5. The Chief Engineers and the Superintending Engineers should check these readings during their inspections. Meters at sub-stations may be installed within one month of this circular and the detail thereof may be sent to the Zonal Chief Engineers, who will send a consolidated statement to the Board.

KARNATAKA ELECTRICITY BOARD

No. KEB/B10/4840/83.84

Board Secretariat,
Cauvery Bhavan.
Bangalore - 9

Dated : 18-11-1983

NOTIFICATION

In exercise of the powers conferred under section 49 and 79(j) of the Electricity (Supply) Act 1948, the Karnataka Electricity Board hereby make further addition amendment to the Karnataka Electricity Board Electric Power Tariffs 1983, issued in Notification No KEB/B10/4840/83-84 dated 21st October 1983 as hereunder and this shall be effect from the date the said revised tariff 1983 came into force.

1. Clause 4, line 2 of General Conditions :—

To add the word "where" between the words 'Central Excise Duties' and 'applicable.'

2. Clause 8 of General Conditions :

Item (i) To substitute 'Power in KW = 0.85 × KVA' instead of "1 KW = 0.85 KVA".

3. To include the following as Tariff Schedule HT-3 applicable to Board Electric Co-operative Societies :

Tariff Schedule HT-3

(Rural Electrical Co-operative Societies)

Applicable to supply of bulk A. C. power at voltages of 2.2 KV and above at standard high voltage or extra high voltage available in the locality (at the discretion of the Chief Engineer, Electricity (General) of the Board or his authorised representative) to the Rural Electric Co-operatives Societies.

Rate Schedule

Demand Charges : Nil

Energy Charges : At 7 paise per unit for all the units consumed in the month plus applicable surcharge.

4. To add the following to LT-1 Tariff Schedule
Minimum charges : At Rs. 2 (Rupees Two) per month per installation calculated for the billing period.

5. To delete the word "clubs" from Tariff Schedule LT-1.

6. To replace the words "and other artisan" by the words "artisans and other professionals" between the words "Branch Post-masters" and "that do not make use of motive power for their work" in respect of Note (i) under Tariff Schedule LT-2.

7. To add the word "Cinemas" between the words "Clubs" and "Restaurants" in respect of Note (ii) under Tariff Schedule LT-3.

8. To add the words "and payment shall be made half yearly" after the words "per annum" under Tariff Schedule LT-4(a) (i) and to add the words "and payment shall be made quarterly" after the words "in the month" under Tariff Schedule LT-4(a)(ii).

9. To delete the words "irrigation pump-sets" under Tariff Schedule LT-8.

Read :

U.O. Note No. C (A)/121 dated 9.3.83 from Controller (Audit) proposing enhancement of cheque dishonour fee for HT and LT installations.

Order No. KEB/B10/4875/83-84

Bangalore, dated 20th January 84

Approval is accorded to substitute the provisions under Regulation 35 (i) of Electricity Supply Regulations as indicated in juxta position here below. It shall come into force with immediate effect.

EXISTING

Cheques for current consumption bills are received from consumers in good faith and receipts issued, subject to realisation in the Bank. But if the Bank returns the cheques for want of arrangement, the Board will charge a penalty of Rs. 1 each for every installation covered by the cheques in addition to any other penalties that might be imposed for belated payment etc. Further, if the cheques issued by a consumer in favour of the Board happen to be returned by the Bank unrealised more than twice, the Board will not accept any further cheques from such consumer.

AMENDED

Cheques for current consumption bills are received from consumers in good faith and receipts issued, subject to realisation in the Bank. But if the Bank returns the cheques for want of arrangement, the Board will charge a penalty based on the amount of the cheque as follows :

Upto Rs. 25, Re. 1

Rs. 25 to Rs. 100, Rs. 2

More than Rs. 100 |

upto Rs. 1000 | Rs. 5

Beyond Rs. 1000, Rs. 10

for every installation covered by the cheque in addition to any other penalties that might be imposed for belated payment etc. In case of a consumer who defaults more than once in the same year, the fee will be doubled for that particular year. Further, if the cheques issued by a consumer in favour of the Board happen to be returned by the Bank unrealised more than twice the Board will reserve the right not to accept any further cheques from such consumer.

No.KEB/B10/4942/83-84.

Dated : 28-1-1984.

All The Suprintending Engineers (Elecl.)
O & M Circles, KEB ,

Sir,

Sub : Collection of additional 2 MMD.

- Ref :
1. Board Notification No, KEB/B10/3423
69-70 dated 22.12.1981.
 2. Board letter No. KEB/B10/4796/83-84/
dated 28-5-83
 3. Chairman. KEB DO of even No. dated
18-8-83 and subsequent reminders dated
12-10-83 and 23-12-83 on the issue.

In continuation of the communication referred to above, I am directed to invite your reference to the provisions of Electricity Supply Regulation 55(A) as amended vide Board Notification under reference (1) above. It is presumed that field officers have taken action to arrive at the amount of additional deposits to be collected from the consumers, raise demand and collect the same in accordance with para 6 (b) of the Notification. However, the salient points of eht

instructions already issued are brought out below as an 'AIDE-MEMOIRE' in the interest of the finances of the Board.

1. The additional deposit to be collected shall be the difference between the deposit already held and 2 months' average bill amount worked out on the basis of average of bills rendered in the period from January to October 1983. However, in the case of IP sets, this shall be the difference between the deposit held and the annual minimum charges as per the present tariff.
2. The Central and Karnataka Government installations are not exempted from the payment of the said deposit
3. Installations of VPs, TPs and TMCs are exempted from the payment of above deposit.
4. Due notices have to be issued to the consumer with an interval of 15 days and option of paying additional deposit in 5 equal monthly instalments may be offered to the consumer if he wishes to avail of the same and makes a request for such facility in writing. The Executive Engineers of O&M Divisions are empowered to grant such requests.

5. Non-payment of deposit within 15 days, of issue of the 2nd notice and non-payment of instalments when instalment facility is availed would make the installation liable for disconnection after issue of clear 7 days notice.

It is regrettable that many of the Superintending Engineers have not responded to the DO of 18-8-83 from the Chariman, KEB. It is earnestly hoped that the circle officers would take immediate and prompt action in instructing the sub-ordinate officers for taking action as above and personally monitor the progress and thus safe guard the interests of the finances of the Board. The receipt of this letter may be acknowledged and action taken reported within a month.

Yours faithfully,
T. N. Mahabalaraj

KARNATAKA ELECTRICITY BOARD

No. KEB/B10/5018/77-78

Board Secretariat,
Cauvery Bhavan,
District Office Road,
Bangalore-9
Dated 3-2-84

The Chief Engineer, Electricity
Hubli Zone,
Karnataka Electricity Board, Hubli.

Sir,

Sub : Details of RR. No. MP 1737 of M/s.
Karnataka Precious Metal Industries,
Hubli.

Inviting reference to your letter No. A6/2114-16 dated 29th September 1983 on the above subject, the history of the case reads as follows.

The installation with a connected load of 70HP was serviced on 26th August 72 and was disconnected on 12th April 1978. The arrears due is of the order of Rs. 65,588,76. In the meanwhile, the assets have been sold by the said consumer to a firm by name M/s Trinity Industrial Corporation, Hubli. The properties which were seized by the Karnataka State Financial Corporation Authorities due to non payment of loan paid by them, has been cleared by the purchaser, but the Board dues have remained unsettled. It is reported that 'C' form has been issued on 30th May

1983. The new party has applied for power to the same premises to an extent of 51HP.

It is reported by you that the party has paid 2 MMD of Rs, 4, 80 on 28th May 1983 in the name of M/s. Trinity Industrial Corporation.

In this connection, I am directed to state that it is not understood how the prospective consumer who is asking for power in the same premises was asked to pay 2 MMD since for all purposes the old consumer still remains to be the owner of the premises and until the relationship with the erstwhile consumer were severed there was no reason to make any commitment with the new consumer. The old consumer, it is reported, has requested the Executive Engineer Elecl. KEB, Hubli for power sanction to the new consumer and has agreed to execute an indemnity bond towards payment of arrears due to KEB you have opined in your letter referred to above that the power supply can be arranged in the name of M/s Trinity Industrial Corporation by obtaining an indemnity bond along with Bank Guarantee from the old consumer as well as from the new consumer.

In this connection it is to be stated that the purchaser has acquired the assets of the defaulting consumer and naturally he should bear the liabilities also if he wants the power. For that matter, Board is still to persue with the erstwhile consumer for arrears, because the new consumer is only a prospective consumer. Since the defaulting consumer has already

sold the properties, it may not be possible to recover the arrears and any assurance given by him that he would clear the arrears in future may also be of no avail. Since he has sold the property.

Hence I am directed to request you to involve the prospective consumer also and get at least a portion of arrears and before reconnection take an undertaking from him to pay the balance of arrears within three to four months or such other period as is felt reasonable by you as per approved norms

Action taken may be reported to this office.

By Order,
T. N. Mahabalaraj,
Additional Secretary.

KARNATAKA ELECTRICITY BOARD

Preamble :

As per Electric Power Tariffs 1983-Tariff Schedule LT. 2 monthly minimum of Rs. 10/- per KW per month is stipulated for All-Electric Home installations based on the sanctioned load. Consumers have represented to the Board and also through press expressing their willingness to reduce the sanctioned load to limit to their requirements. With a view to alleviate inconvenience to the consumers by permitting the AEH consumers to reduce the sanctioned load if they so desire and in order to enable the consumers to get relief in payment of minimum charges based on sanctioned load, limiting the same to their requirement, Board is pleased to order as follows.

Order No. KEB/B10/5170/83-84

Bangalore, Dated 6th Feb. 84

The Assistant Executive Engineers, Elecl., O & M Sub-Divisions KEB, are hereby empowered to consider the request of the AEH consumers for reduction of the sanctioned load and reduce the sanctioned load to the requirement of the consumer subject to installing current limiter/circuit breaker of appropriate capacity as specified by the Board, at his cost.

The reduction of load will be effected from the meter reading date falling in the month following the installation of current limiter/circuit breaker.

NOTIFICATION

In exercise of the Powers conferred by Section 49 and 79 (j) of Electricity (Supply) Act, 1948 (Act No. LIV of 1948), the Karnataka Electricity Board hereby makes the following regulations further to amend the Karnataka Electricity Board Electricity Supply Regulations.

1 Title and Commencement

- a) These Regulations may be called the Electricity Supply (Amendment) Regulations.
- b) It will come into force with immediate effect.

2 Amendment to regulation 16 of ESR.

The existing Regulation 16 will stand amended as follows

Existing

A Low Tension consumer must in all cases provide linked quick break main switches and a main fuse on each pole other than the earthed neutral which must be erected within three feet of the Board's meter board or in such other position as shall be approved by the Board.

Amended

A Low tension consumer shall in all cases provide a linked quick break main switch and a fuse on each pole other than the earthed neutral, which must be erected within 1 meter of the Board's meter board or in such other position as shall be approved by the Board.

In respect of AEH consumers applying for power supply on or after the date of this Notification i.e., 14-2-84, a current limiter of approved quality shall be installed in a manner approved by the Board.

All the Asst. Executive Engineers (Elecl.)
O & M Sub-Division, KEB.

Sirs,

Sub : Arrears outstanding in respect of temporary installations after adjustment of deposit.

With reference to the above, I am directed to state that, temporary power supply is sanctioned to the HT. & LT. Consumers as per the provisions existing in Regulation 10 of ESR. and Para 179 (6) (a & b) of KEB. Accounts Manual Volume I.

It has come to the notice of the Board that arrears for the consumption of energy is outstanding in respect of some temporary installations and it has now become difficult to realise the dues for want of permanent address of the consumers.

In this connection. I am directed to state that if the field officers had taken timely action before arranging power supply to temporary installations by collecting the correct deposit based on the probable energy charges and had taken regular meter readings at stipulated intervals as per ESR, there would have been no room for such a situation. Hence it is requested that proper care should be taken while arranging temporary power supply so that adequate deposit is collected to avoid any loss to the Board and also the readings are taken periodically as stipulated to keep watch on the consumption and the adequacy of the deposits held.

For any lapses in this regard, the concerned officers are liable to be held responsible.

Yours faithfully
(T N. Mahabalaraj.)
Addentional Secretary.

 Dated 19.3.84.

All the Executive Engineers (Elect)
 O & M Divisions,
 Karnataka Electricity Board.

Sir,

Sub : Issue of Endorsement to the Consumer
 (on request) for having paid the Deposit.

It has come to the knowledge of this office that a sum of Rs 10 was demanded from a consumer to issue the Confirmation Certificate on amount deposited by him towards the cost of meter and metering equipments.

In this connection it is to be stated that there is no provision to collect any fee to issue a certificate to the consumer, in the regulations.

Hence I am directed to request you to ensure that the staff do not insist on payment of such fee to issue Confirmation Certificate for having paid the Security Deposit by the consumers.

Yours faithfully,
T. N. Mahabalaraj,
 Additional Secretary.

KARNATAKA ELECTRICITY BOARD

Board Secretariat,

'Cauvery Bhavan'

No. KEB/BH/4048/82-83/Misc.

Bangalore-9,

Dated 17th March 1983.

All the Executive Engineers (Elel)
O & M Divisions,
Karnataka Electricity Board.

Sirs,

Sub: Issue of tentative work orders by the Divisions for an indefinite period violation of Board rules and incurring irregular expenditure reg.

It has been brought to the notice of the Board that a number of tentative work orders have been issued by the Divisions and are being allowed to continue un-regularised since 1980.

In this connection, it is to be stated that, as per para 210 of KEB Accounts Manual Vol II, only in exceptional cases, such as where the safety of lines or the plant is in danger, the work may be undertaken on tentative work order without preparing the estimate provided that the estimates are received in the division office/circle office within 15 days/one month of start of work depending on the cost of the estimate. But it is noticed that the work on tentative work orders are carried out without preparing the estimates

even in normal cases. In some instances works like village electrification and service connections are also being carried out on tentative work orders. The work orders issued during 1980 have not been regularised so far in many divisions.

This leads to non-accounting of out lay and omission of depreciation in the balance sheet. This is a clear violation of Board rules. The expenditure is not only irregular but it is liable to go out of sight, thus resulting in keeping the outlay unaccounted for an indefinite period.

Under the circumstances, I am to request you to be judicious while issuing tentative work orders and take necessary action to see that they are regularised at the earliest and the prescribed procedures and provisions are not violated.

Any lapse in this regard will be viewed seriously by the Board. The cases existing may be revived forthwith by the Divisional Officers and action taken to regularise the same most expeditiously.

By Order
M. Muniram,
Additional Secretary.

Board Secretariat,

Cauvery Bhavan,

Bangalore-560 009.

Dated : 24-3-1983.

All Chief Engineers, Electricity,

All Superintending Engineers, (Elect.)

All Executive Engineers. (Elect.)

Karnataka Electricity Board.

Dear Sirs,

Sub : Energisation of IP sets under Special Component Plan for Scheduled Casts only.

- Ref :**
1. T/EEG/AEI/CYS-61/82-83
dated. 15-6-82
 2. T/EEG/AEI/CYS-161/82-83
dated. 20-9-82
 3. G.O. No. SWL 237 SLP 82
dated. 17-2-83
 4. G.O. No. SWL 237 SLP 82
dated 8-3-83 and
 5. KEB/B17/6852/82-83 dated 5-6-82.

The Government of Karnataka have agreed to the request of the Board for the release of Special Central Assistance during this year under Special

Component Plan for energisation of distant I.P. Sets belonging to Scheduled Caste and have agreed to subsidise the extra cost over and above Rs. 2,000/- per HP. incurred by the KEB for I.P. Sets of Scheduled Caste applicants. It may please be noted that this is available only for Scheduled Caste applicants. A grant of Rs. 50/- Lakhs is sanctioned by the Government of Karnataka to meet this extra cost. The following procedure may be followed to ensure that applicants for I.P. sets belonging to Scheduled Caste are processed without reference to the ceiling limit of Rs. 2,000/- per H.P. However, in order to cover as many cases as possible in excess of the ceiling, selection of applicants may be made generally on least extra cost basis. Further, the Karnataka Agro Industries Corporation Limited have taken up drilling of bore wells belonging to Scheduled Caste under District Rural Development Assistant under Special Component Plan. The General Manager, Karnataka Agro Industries Corporation Limited will furnish the names of beneficiaries under Special Component Plan.

The total extra expenditure over and above the ceiling to be met by the Government during the year 1982-83 will be restricted to Rs. 50 Lakhs for the entire State. It is noted that each District can reach the target of Rs. 2.60 Lakhs for the period 1982-83. The estimate may be prepared indicating distinctly the extra cost above the ceiling of Rs. 2,000/- per HP to be met out of the Grant-in-Aid given by the Govt. for this category and got sanctioned by the appropriate

authorities. A list of such sanctioned estimates may be sent to the Chief Engineer, Electricity, (General), with a copy to the Financial Adviser and Chief Accounts Officer. Special Steps should be taken to get these works executed at the earliest. The Completion Report together with the amount of expenditure in excess of Rs. 2,000/- per HP spent for servicing these IP sets should be sent immediately after servicing to the Chief Engineer, Electricity, (General) with a copy to the Financial Adviser and Chief Accounts Officer, Karnataka Electricity Board, for giving utilisation certificate of the grants received from the Government in this regard.

It is clarified from the Secretary, Social Welfare and Labour Department that there is no limitation for the amount for which he has agreed to release the amount over and above Rs. 2,000 per HP from the Central Assistance and Rs. 50 lakhs sanctioned is only the first instalment of such grant to be sanctioned depending on the progress

The total expenditure on the Special Component Plan for these IP sets should be distinctly indicated in the expenditure statement as per Financial Adviser and Chief Accounts Officer's Circular letter Nos. C(A) AOB-I/Cys 151/24-11-83 and C(A) /AOB I/Cys-160 dated 7th December 1982. However, since only the excess expenditure over and above Rs. 2,000 per HP is eligible for reimbursement as grant from the State Government, such excesses will have to be identified in the statement to be sent to the Chief Engineer,

Electricity, (General) and Financial Adviser and Chief Accounts Officer, Karnataka Electricity Board, as mentioned above, as that such excess expenditure could be consolidated and Utilisation Certificate given to the Government against the Grant-in-Aid received in this regard.

The physical progress report in respect of energisation of IP sets under Special Component Plan for extending this benefit to the Scheduled Casts may be sent to the Chief Engineer, Electricity (General), Karnataka Electricity Board, 10th of every month along with the statement of new installation serviced.

Yours faithfully,
(B L. Mahalingappa)
Secretary

KARNATAKA ELECTRICITY BOARD

Board Secretariat,
'Cauvery Bhavan',
Bangalore-9.

Dated 21st Sept., 1983.

No. KEB/B11/4333/83-84/RE & IP

All The Executive Engineers (Elect.),
O & M Divisions, KEB.

Sir,

Sub : Bhagya Jyothi Scheme.

Reference is invited to CEE (G)'s circular letter No. CEE (G1)/REC/Cys. 332 dated 26th September 1979 addressed to the Chief Engineers and Superintending Engineers with a copy to the Executive Engineers of O & M Divisions on the implementation of the Bhagya Jyothi scheme from the year 1979-80. As contemplated therein detailed circular letter on the accounting procedure was issued by the Financial Adviser and Chief Accounts Officer in his letter No. AOR/Sn. 6/cys. 36/80-81 dated 31st May 80.

The entire question of demand, collection and outstanding dues has been reviewed, I am directed to issue the following instructions for immediate compliance in respect of all the installations serviced since inception.

i) The demand for the monthly charges was ordered to be raised at Rs. 3.11 per house hold pm. On review, it is seen that it should have been Rs. 4.11 per house hold pm. The basic energy consumption charges will be Rs. 2.50 of which, it was originally thought, that Rs. 1.50 will be recovered from the beneficiaries and Re. 1/- will be reimbursed by the Government. However, Government of Karnataka in letter No. PWD 124 ERS 79 dated 14-8-79 had only agreed to reimburse whatever arrears remain unrecovered from the beneficiaries. The demand should therefore, be raised on the consumer in full and only unrecovered sum reported to Government for reimbursement. As such the demand has to be raised at Rs. 4.11 (Rs. 2.50 towards energy charges, Rs. 1.11 towards repayment of 80% of the principal in 15 years and Rs. 0.50 towards interest PM for 15 years) per connection (single outlet in Bhagya Jyothi Scheme) in respect of all installations serviced upto 31-1-81. From 1-2-81 upto 31-3-81. the new tariff structure has reduced the LT-1 rate to Rs. 0.40 per unit and as such the amount recoverable has been assessed at Rs. 3.76 per connection per month (Rs. 2.15 towards energy charges, Rs. 1.11 towards repayment of 80% of the principal over 15 years and Rs. 0.50 towards interest PM. for this period.)

ii) As far as the installations serviced from 1-4-81 are concerned, we had, with the approval of the Govt. increased the capital cost of each service connection to Rs. 340/-. Based on the revised capital cost, the demand should be raised in respect of all Bhagya Jyothi installations serviced on or after 1-4-81 as under.

a) From 1-4-81 the energy charges shall be Rs. 2.15 plus repayment of principal and interest of Rs. 2.19 ; total Rs. 4.34 per connection per month.

b) Consequent on the reduction of tax from 4.5 ps to 4 ps per unit from 18-8-81 the energy due per month will be Rs. 2.11 plus principal and interest repayment of Rs. 2.19 total Rs. 4.30.

The tariff as above is to be calculated in respect of all installations serviced from time to time since inception with effect from the dates noted above, arrears demand raised in the ledger and claimed from the beneficiaries.

As the Government has to reimburse to Karnataka Electricity Board all the amount that could not be recovered from the beneficiaries, our system of monitoring recovery from the beneficiaries has to be tightened and periodical reports sent to Financial Adviser and Chief Accounts Officer so that the claims in this regard may be raised against the Government. In the first instance full claims worked out on the lines indicated above in respect of all the installations may be raised in the ledger month currently under posting and the amount due and still remaining unrecovered as at the end of September 1983 may be sent with year-wise details of outstandings to Financial Adviser and Chief Accounts Officer to take up the matter with the Government at the earliest.

The number of installations in service from time to time on the dates on which the change in the

tariff structure had become necessary may also be indicated while giving year wise details duly tallied with the returns submitted to Chief Engineer, Electricity (General) in this regard so that there should be no discrepancy in the figures reported to Government regarding the number of installations serviced under the scheme.

Dated 20.1.1983

NOTIFICATION

In exercise of the powers conferred by Section 79(j) of the Electricity (Supply) Act, 1948 (Act. No. LIV of 1948) the Karnataka Electricity Board hereby makes the following regulations further to amend the Karnataka Electricity Board Electricity Supply Regulations.

I Title and Commencement :

1. These regulations may be called the Karnataka Electricity Board Electricity Supply (Amendment) Regulations 1983.
2. They shall come into force with immediate effect.

II Amendment to Regulation 4(a)

1. The existing note after Regulation 4(a) (ii) may be numbered as note (i).
2. The following shall be inserted as note (ii)

“(ii)—If the existing distributing transformer is to be replaced by a higher capacity one for catering to the prospective load, such re-placement shall be done by the Board under extension and improvement and the cost will not be taken into account for the purposes of calculating Line Minimum Charges.”

By Order,

KARNATAKA ELECTRICITY BOARD

No. KEB. B17/7092/82-83

Board Secretariat,
 Cauvery Bhavan
 Bangalore-9,
 Dated 26-4-1983.

All the Executive Engineers, (Elect.),
 O & M Divisions,

Karnataka Electricity Board,

Sirs,

Sub : REC Schemes - Booking of financial outlay commensurate with physical achievement—transfer of outlays from Board Works to REC Schemes in respect of REC Schemes Areas.

Ref : 1. D.O No. AOC/Sn VI/REC/SPA/138
dated 23-10-82.

2. Letter No. AO/REC/Sn. VI/F7/Cys.
202 dated 15-2-83 of Controller
(Finance), KEB.

Kindly refer to the letter/circular cited above from the Financial Adviser & CAO. Now it has been brought to the notice of Board that- though considerable physical targets have been achieved in many of the R.E.C. Schemes, the Financial outlay has not been booked resulting in indication of much differences between the loan amount drawn, physical progress achieved and the outlay booked. It is also reported that despite repeated requests by periodical circulars to the Divisional Officers requesting to take appropriate action to consolidate the accounts periodically and submit them to the concerned Officers, no action seems to have been taken in this behalf. The consequences of delay in compiling of accounts/booking of outlays have been explained in the earlier circulars from the Financial Adviser & C.A.O., Karnataka Electricity Board. On the otherhand it is needless to say that R.E.C. Ltd., is highly objecting the backing in maintenance of accounts especially in respect of R.E.C. Schemes. Perhaps you are aware that for the past couple of years even some commercial Banks/NABARD are also participating in financing the Board for SP(A) Schemes. If this delay of maintenance submission of accounts is continued, I am afraid apart from the

R.E.C. the other agencies will also feel un-pleasantness.

Therefore, it is requested that expeditious action be taken for compilation updating the accounts and submission of periodical returns to the concerned officers, as detail by the Financial Adviser & Chief Accounts Officer, Karnataka Electricity Board.

This office be kept informed of the action taken by you in this behalf.

M. Muniram
Additional Secretary.

1 Board Order No. KEB/B17/4769/78-79 dated 8.12.1979 revising the economic viability criterion for arranging power supply to I. P. Sets Stipulated under regulation 8 (c) of the Electricity Supply Regulations from Rs. 1,500/-per HP to Rs. 2,000/-per HP.

2 Board Secretariat note dated 27.6.1983 proposing to revise the economic viability criterion from

Rs. 2,000/-per HP to Rs. 4,000/- per HP considering the present viability crition, escalation in cost of materials and pendency of applications for power supply to IP. sets etc.,

Board Order No. KEB/B17/4760/78-79

Bangalore, Dated 20th July 1983

The following shall be the economic viability criterion for arranging power supply to the IP sets with immediate effect.

- i) all individual IP. sets requiring low Tension line extension of not more than 0.75 KMs shall be deemed to be economically viable.
- ii) to adopt the economic viability criterion of Rs. 4,000/-per HP instead of existing Rs. 2,000/-per HP, in all other cases such as individual IP sets requiring more than 0.75 KMs of Low Tension line and group estimated. In these cases the limit of Rs. 4,000/- per HP would cover also the cost of extension of line and High Tension or installation of Transformers.

Read

Board Order No. KEB/B17/4760/78-79 dated 20-7-83 relaxing/revising the economic viability criterion in respect of arranging power supply to IP. sets.

Board Order No. KEB/B17/4760/78-79
Bangalore, Dated 11th October 83

Considering the various aspects on the issue, Board is pleased to accord approval as follows.

The economic viability criteria stipulated in Board Order No. KEB/B17/4760/78-79 dated 20-7-83 is relaxed with a view to accelerate IP. set energisation programme, in areas where REC. Schemes are not in operation. There will be no financial or distance limit for processing/sanctioning IP. set estimates. However, the priorities in vogue namely the number of poles required for energising the pumpsets would be applicable.
