## CIRCULAR

Sub: Updating 'New Defined Contributory Pension Scheme Contribution' under web based data.

- Ref: 1. Corporate order No KPTCL/B.16/4977/2005-06 dated 21.08.2007.  
2. Corporate order No KCO-01/39713 dated 28.06.2012.  
3. This Office Circular No KPTCL/B.50(b)/14-15 dated 30.04.2015.

\*\*\*\*\*

In Circular under reference (3), it was clearly instructed that total figure indicated in Annexure-4 shall invariably be tallied with the figure indicated in "Abstract to Annexure-4" in web based data sheet.

But, it is observed that many Accounting units are furnishing Annexure-4 without tallying the figure with "Abstract to Annexure-4". This has resulted in not only furnishing incorrect Pension contribution figures by the Pay Drawing Officer of the Accounting Unit, but also giving cause for difference in accounting Pension contribution amount by NDCPS Cell & thereby the interest on Pension Contribution gets severely affected, for which the Pay Drawing Officer of such Accounting unit is held responsible & liable for disciplinary action for such lapses.

In the light of the above, all the Accounting units shall strictly adhere to the instructions in circular under reference (3) & to ensure that the total figure indicated in Annexure-4 shall invariably be tallied with the figure entered in the "Abstract to Annexure-4" Without fail.
