PREAMBLE:

The State Government has approved a Defined Contribution Pension Scheme as a mandatory scheme for all new recruits to the State Government service joining on or after 1-4-2006. There are around 60,000 such employees as on date. The monthly contribution under the scheme shall be 10 percent of Basic Pay and Dearness Allowance thereon to be paid by the employee and matched by the State Government in equal proportion. The contributions and returns are to be deposited in a non-withdrawable Pension Tier-I Account.

The Government of India has also implemented a Defined Contribution Pension Scheme, known as New Pension Scheme (NPS), with effect from 1-1-2004. Several State Governments have implemented similar scheme from subsequent dates. The scheme is being implemented as per an architecture made and regulated by Pension Fund Regulatory and Development Authority (PFRDA). The supervision of the scheme functioning and performance of all intermediaries is done by a NPS Trust under overall guidance and supervision of PFRDA.

In the Government Order referred at (1) above, it was indicated that separate orders will be issued appointing the Central record Keeping agency and Pension Fund Managers for implementing the Defined Contribution Pension Scheme. The Government of Karnataka has considered the NPS architecture, as detailed in Annexure I, set up by PFRDA, and has decided to adopt it for implementing the scheme.

Hence the following order.

Bank of India has been appointed as the Trustee Bank. It will handle the flow of funds from the State Government to the PFMs.

(d) Custody of the investment instruments:

Stock Holding Corporation of India Limited (SHCIL) has been appointed as custodian of the investments made by the PFMs.
