No.KPTCL/IGP/V&E/02/08-09

Dated:28-07-2008

Please refer my earlier messages in No.KPTCL/IGP/V&E/01/08-09, dated:25-07-2008, No.12/08-09,13/08-09 and 14/08-09 dated: 26-07-2008 regarding enhancing of security in all the Station/Installation/Building of the KPTCL and all ESCOMs in Bangalore and in all other places in Karnataka State(.) In continuation of the same, the following instructions are further issued for immediate necessary action (.)

- 1) There should be as far as possible, only one entry and exit point in the Stations/Installations/Buildings (.) However, if more number of entry or exit is required to the Stations/Installations/Buildings, the same may be kept to the minimum possible (.) All the access points in the Stations/Installations/Buildings of the KPTCL and all ESCOMs should be monitored properly.(.)
- 2) All the employees of the KPTCL/ESCOMs must wear proper Identity Card while working in any of the Stations/Installations/Buildings.
- 3) A register towards entry and exit of visitors and others must be maintained with details of their time of entry, time of exit and purpose of visit (.)

::2::

- 4) All the personnel working in the various Station/Installation/Building of KPTCL & ESCOMs must be sensitized towards increased security awareness (.) Senior Officers must attend to it properly (.)
- 5) Senior Officers must give their personal attention on the security issue, as a breach of security in any Station/Installation/Building will affect one and all and not only to any specific individual (.)
- 6) Proper perimeter security and patrolling must be enforced in all the vital Station/Installation/Building of the KPTCL & ESCOMs, (.)
- 7) In every Station/Installation/Building of the KPTCL & ESCOMs, if there are no specific security officer functioning, one Senior Officer should be designated as the Security Coordinator (.)
- 8) The Security Coordinator will be responsible for observing and monitoring of all the security issues in the Station/Installation/Building (.)
- 9) Telephone Nos. of the local Police Stations, Police Control Room, Fire Force Stations must be available in all the offices and proper liaison with the local Police Station and Fire Force Station must be maintained (.)
- 10) A list of such Security Officers/Security Coordinator of each Station/Installation/Building shall be maintained in the office of the MDs and D(T)s of the ESCOMs and by the SPs of ESCOMs (.) Similarly, in respect of KPTCL, the list should be available with the Director (Transmission) of KPTCL and GM (A&HRD), KPTCL and CVO, KPTCL (.)
- 11) Chief Vigilance Officer, KPTCL will personally visit all the important stations of the KPTCL in Karnataka and will enhance the security with the assistance of the GM (A&HRD) and Director (Transmission). Similarly, SPs of ESCOMs and Dy.SP, CESC will visit all the important Station/Installation/Building of KPTCL and ESCOMs in their respective jurisdiction and enhance the security under guidance of their respective MDs/D(T)s of ESCOM (.)
- 12) Following of security norms should be seen as a part of permanent office routine in the Station/Installation/Building of KPTCL & ESCOMs and not a special measure for a specific time.
