The Officers / Officials of the Board have been experiencing lot of difficulty in referring to K.E.B. Accounts Manual Volume-II, since lot of amendments and changes have been there in original Volume. The last Edition was printed in 1970. In view of these large changes, it was found necessary to up-date this Volume so that it becomes very handy for the Officers / Officials of the Board for reference in day to day functioning of the Board.

This Volume has been revised and simplified for the convenience of all.

This Third Edition is issued in supersession of earlier Edition. In future, paras of this Edition are to be quoted for reference. It is hoped that this Edition will be useful for all concerned in K.E.B.

Errors and omissions, if any, may please be brought to the notice of the Financial Adviser and Chief Accounts officer.
